REVENUE - A

CURRENT No.

R.F.D.-80-A.

Received 20-9-1913, Registered 20-9-1913.

Subject.

Recommending to Government the Malabar Collector's proposal that a scholarship of Rs.5/- be sanctioned to one C.K.Hassan Malikhan a Minicoy boy reading in the Basel German Mission College, Calicut.

Reference No. 4244-13-1

Station Madras Dated the 16th September 1913

From (Name) W. G. McFarland Esquire, I.C.S.,

(Designation) Secretary, Board of Revenue,

Land Revenue - Madras.

To the Secretary to the Government of Madras,  
Revenue Department.

The Hon'ble Mr. R. B. Clegg, Commissioner of Land Revenue.

Read the following letter from C. A. Innes, Esq., I.C.S., Ag. Collector of Malabar, Calicut, - to the Secretary to the Commissioners of Land Revenue & Forests, Madras, Ref. on C.No.197/Is1. dated 8th September 1913.

I have the honour to submit herewith an application for a scholarship from one C.K.Hassan Malikhan. This boy is the son of a Minicoy woman by a mainlander who was for some time a Hospital

Compounder

2.

Compounder in that island. He is now studying in II Form in the Basel German Mission College, Calicut, and the Manager of the College reports that the boy's progress and conduct is satisfactory and recommends a scholarship for him.

2. Mr. Rabjohns who visited the islands last time is strongly in favour of a scholarship for the boy and remarks that we are at present too much at the mercy of the island Gumasta at Minicoy owing to the fact that scarcely any one else on the island knows Malayalam. It will therefore be most useful to have some one else to assist in translating and to over-check the Gumasta's work. The present Gumasta is a mainlander and in the event of any enquiry into his conduct at present we are helpless. Sooner or later we shall need another island Gumasta and this boy if he is straight, might fall naturally into the post.

3. Minicoy is the only island where there is no school at present and whatever school we start on the island must be in Mahl and not in Malayalam as on the other islands. If the present applicant is educated on the mainland for a few years more he may be useful as a teacher and there is every likelihood of his succeeding in imparting the results of his mainland training to the islanders through the medium of their own tongue.

3.

4. There is thus plenty of scope for this boy and I beg to support his application and recommend that he be given a scholarship of Rs.5 per mensem to start with.

Submitted to Government.
