GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from W. H. JAMES, Esq., B.Sc., Acting Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 3rd November 1913.
No.—4942.

I have the honour, by direction of the Syndicate, to submit for the sanction of the Government, the following alterations in the regulations adopted by the Senate at its meeting held on the 17th October 1913 :—

(a) In Regulation 53, the following *be added* as the first paragraph :—

“No speech shall ordinarily exceed ten minutes in duration, provided that the mover of a resolution or of an amendment, when moving the same, may speak for twenty minutes.”

(b) In Regulation 172, the following *be added* as clause (d) :—

“(d) Schools in Pondicherry certified by the Director of Public Instruction, French India, to be organized and conducted so as to ensure efficient training up to the standard of the Matriculation examination.”

(c) In Regulation 388, for the words “provided that in no year shall the number of working days fall below 145” the following words *be substituted* :—

“provided that in no year shall the number of working days fall below 145 for the B.A. degree course and 140 days for the Intermediate Course.”

(d) In Regulation 390 (1), the following *be added* as an additional paragraph :—

“In the case of a student who has been a candidate for a University examination, the results of which have not been published ten days before the beginning of the college year, the eleventh day after the results of that examination have been announced at the Senate House may be counted for him the first working day of the next succeeding year so far as the grant of the certificate of attendance in an affiliated college is concerned, provided that in no case shall the number of working days in the year fall below the minimum required by Regulation 388.”

(e) In Regulation 416, against “March and April 1914” under the column “under the existing Regulations” for “B.A. and M.A.”, *be read* “B.A., M.A. and L.T. Practical Test.”

In regard to these proposed alterations I am directed to furnish the following explanations :—

(a) This addition is self-explanatory and is called for owing to the increasing amount of business that has to be dealt with by the Senate.

(b) This addition of Regulation 172 is in fulfilment of the intention of the Syndicate as stated in this office letter No. 3479, dated 28th July 1913, and will allow of the recognition by the University of the Calve College, Pondicherry.

(c) In several colleges students of the Intermediate classes have found some difficulty in making up in the second year the 145 attendances demanded by the existing regulations before they have to despatch their attendance certificates so as to reach the Registrar by the prescribed date, March 9th. It is not proposed to reduce the total number of working days for the two-year courses.

(d) This alteration is proposed to allow students, who fail in an Intermediate examination, and when the results are announced rather late, some little time before it is compulsory for them to start on the extra year's course. It has been found impracticable to insist in some districts on their rejoining college in the first few days of term.

(e) It has come to the knowledge of the Syndicate that several teachers who have passed the theoretical examination have yet to qualify for the degree under the old regulations in the practical test, and this amendment will give such persons another opportunity of appearing for the examination.

Order—No. 1056, Educational, dated 18th November 1913.

Under section 25, sub-section (1) of the Indian Universities Act, 1904, the Government sanction the alterations in the University Regulations proposed in the letter read above.
