NOTE FILE.

To.

The Chief Secretary to Government,

EDUCATIONAL ~~Public~~ Department.

In.

A. Kothandapani Mudaliyar unemployed, was appointed as a Minor Irrigation Sub Overseer in this district on probation on a salary of Rs.30 for over two years and he has been working as such ever since. I cannot confirm him as he has not yet completed the tests prescribed for a Minor Irrigation Sub Overseer's post.

He has undergone the complete course in the Technical School at Bangalore and has passed in

| 1. Surveying and levelling | - | 1st class. |
| 2. Drawing and estimating | - | 2nd class |
| 3. Earthwork and Road making | - | Do. |

Considering his work in this district which has been satisfactory and his experience in Local Fund, Minor Irrigation and Public Works department as sub overseer and Overseer and of the difficulty of procuring the services ^{of} qualified men on a salary of Rs.30 a month, I have the honour to recommend the exemption of A.Kothandapani Mudaliyar from the prescribed tests.

I have the honor to be,

Sir,

Your most obedient servant,

SUBJECT.

Exemption of A. Kothandapani mudaliyar from the ~~for~~ lower subordinate test for employment as a Minor ^{Irrigation} Sub-overseer.

The Collector apparently applies for the permanent exemption of the candidate from the technical qualifications prescribed for a minor ~~sub~~ Irrigation Sub-overseer. The Revenue Dept^t may, it is submitted, be requested to state whether they would support the Collector's recommendation.

The Candidate ~~has~~ has not undergone any Course of instruction in the College of Engineering at Madras. No subject study for the 3rd year.

Page 6 of the
notification (H).

The tests qualifying for a M. I. suboversee's post are given at pages 5-6 of the Public Service notification flagged H. Failing to obtain a certificate from the Madras Engineering College for which preference is given the Candidate should pass the examination in the intermediate grade in

- (1) Building, drawing & estimating
 - (2) Surveying & levelling
 - (3) Building materials & construction
 - (4) Hydraulics & irrigation works
- and
- (5) Earthwork & Road-making under notification regulating Govt technical examinations.

It appears that the Candidate recommended by the Collector has passed items 1, 2 & 5 as ~~the~~ it is stated that certificates have been secured by him. ~~So~~ he has to be exempted from passing 3 & 4. But it is not clear whether the certificates refer to a pass in the intermediate grade. The M. I. Staff is proposed to be reorganised & the improvement of the pay & prospects of the Staff is under consideration. When the improvements are effected there ~~might~~ ^{may} not perhaps be so much difficulty in getting the services of qualified men. The pay of a Sub Overseer will be Rs 30-60. It is for orders whether the Collector's recommendation for permanent exemption will be supported or whether the Candidate will be recommended for temporary exemption for one or two years.

I think Revenue recommend exemption. It is no doubt difficult to get men in Anantapur.
