GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E.,
Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 26th June 1913.

No.—Ref. on Cur. 5949.

I have the honour to submit the enclosed plans with estimates, amounting to Rs. 5,800, for constructing a drill hall in the London Mission girls' high school, Vepery, Madras, and to recommend that a half-grant may be sanctioned to be paid when funds become available.

II

Note by the Chief Engineer, Public Works Department, No. 8683-C., dated 17th November 1913.

The Director of Public Instruction submits for sanction, through the Educational Department, two plans and an estimate, amounting to Rs. 5,800, for improvements to the London Mission girls' high school, Vepery, Madras.

2. The plans and estimates have been scrutinized in the Chief Engineer's office and fresh designs C.A. Nos. 262 and 264 of 1913, with estimate, have been substituted for those submitted for sanction.

3. Galvanized iron sheeting B.W.G. No. 20 has been provided for the gutter in the valley between the two roofs as per Chief Engineer's memorandum No. 8870-C. of 30th October 1912. The gutter should be constructed as shown on the plan C.A. No. 264 of 1913 and the galvanized iron sheets should be well soldered at the joists to prevent leakage.

4. The piers and pilasters marked N on the plan should be built with stock brick in cement to top of arches in the front and the first floor level in the rear, respectively, in order to safely carry the load which is in excess for ordinary brick in mortar.

5. The pressure on the soil in the foundations is 1.10 tons per square foot on clayey soil and the Superintending Engineer should satisfy himself that the foundations provided are suitable.

6. With the above remarks, the estimate prepared in the Chief Engineer's office, amounting to Rs. 6,400, is recommended for sanction.

S. D. PEARS,
Chief Engineer, Public Works Department.

Order—No. 1074, Educational, dated 21st November 1913.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure nor Rs. 3,200 towards the cost of construction of a drill hall in the London Mission girls' high school, Vepery, Madras, subject to the following conditions:—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.
