*Mr F. Southwell :- Requesting to
obtain sanction of Govt. for
permanently exempting — from
examination rules*

No. 377C

Station Vizagapatam, Dated the 21st. October 1913.From (Name) M. R. KHAREGAT, Esq., A.M.I.C.E.,(Designation) Offg: SUPERINTENDING ENGINEER, I Circle.

To The Chief Engineer
The Secretary to the Government of Madras,
Public Works Department.

Sir,

I have the honour to submit herewith an application
from Mr. Francis Southwell, a clerk on Rs.30 of this
office, for permanent exemption from the Examination
Rules.

2. The applicant is a Eurasian, being the son of late
Mr. John William Southwell, who served the State for a
long time as a soldier of the old 38th Regiment. This
community is very poorly represented in the ministerial

rank of the Public Service and deserves encouragement.

3. The applicant began service as a clerk in the late East Coast Railway as a correspondence clerk in 1895 and ^{acquitted} ~~acquainted~~ himself creditably in different capacities as a drafting clerk, record keeper, and head clerk of a section of the Examiner's office. This is amply testified by the credentials he obtained from the officers under whom he served and copies of these are enclosed. In October 1904 owing to reduction of establishment in the State Railways, he was thrown out of employment and eventually in January 1905 he was entertained in the P.W.D. as a clerk. Since then his capabilities and character have been uniformly appreciated by all Superintending Engineers, and in September 1909 his case was brought to the notice of Government as worthy of being permanently exempted to hold a post of Rs.20 to 30 which was sanctioned in G.O. No.564 Educational dated 10-10-1909 communicated with your endorsement No.4714-C. dated 6-11-1909.

not in file

Mr. Southwell has been holding a permanent appointment since then. But owing to his being an unpassed candidate under the terms of the Public Service Notification he is losing chances of promotion to higher grades.

4. Although Mr. Southwell passed only the late Government Lower Secondary Examination and studied up to the Matriculation class, his knowledge of English and other attainments are not of a lower standard than those of a Matriculate or of a completed secondary school leaving certificate holder.

5. Under the above circumstances and coupled with the fact of the consistent rise in the prices of all

necessaries of life and that the present pay of Rs.30 per mensem is not sufficient for one like Mr. Southwell who is bred and brought up under European customs and habits, I beg to request that you will be pleased as a special case to exempt the applicant from the provisions of Article 1 of the Public Service Notification for the purpose of his appointment to posts carrying salaries in excess of Rs.30 per mensem.

I have the honour to be,

Sir,

Your most obedient servant,

IV

Mr.F.Southwell worked in my office for 6 months as an acting clerk and gave me entire satisfaction. Owing to

the reduction of one of the hands in the office he had to look after both receipt and despatch work of the office which is generally heavy. He always worked very willingly and without allowing the work to fall into arrears. I consider him to be hardworking and a diligent hand. He is leaving office on promotion.

This is to certify that Mr.F.Southwell was employed as Assistant Record-keeper in the record office at Waltair for three years and 9 months on transfer of the working of the Southern Section of the late East Coast Railway to this Railway in January 1901. He was regular in his attendance and his conduct and work have been satisfactory.

His services are dispensed with owing to the reduction of establishment.

Endorsement from Fred Hensely Esq., Examiner of Accounts to the Auditor, B.N.Railway.dated 20th-March '01

I shall be much obliged if you can give him at least the same pay as I am giving him, as he is a rare good sort hardworking and worth more. I should like to keep him till about the 15th proximo if you will let me, but I don't want to stand in his way of getting on.

Extract from the office order No.906 dated 15th March 1901 of late Examiner's office in favour of Mr.F. Southwell.

The salary of Mr.F.Southwell is increased from

in connection with Manager's office files &c.

Sd/ Fred Hensely,
Examiner of Accounts.

To

The Superintending Engineer,
First Circle.

Through the Manager,

Sir,

In respectfully acknowledging with thanks the kind and
generous benevolence of the Government as well as the officers
under whom I had the privilege to serve, for their having per-
manently exempted me from the Examination Rules to hold a post
up to a pay of Rs.30, I beg to venture out of dire necessity
to trouble you once more with this petition for favour of your
sympathetic consideration.

2. I am a permanent clerk of your office on a pay of Rs.30
and have put in a service of 8 years in this department besides
a service of 9 years in the State Railways. As regards my
work althrough I beg to enclose my testimonials from several
Railway and P.W.D. Officers.

3. The present pay of Rs.30 is not at all enough for my big
family owing to consistent rise of prices alround. It is not
an exaggeration to say that it is more often than not that I
have to starve for want of food. This trouble and difficulty
makes me to venture to respectfully request you to kindly re-
commend me to Government for permanent exemption so that I may
rise in the official ladder by dint of hardwork and seek salva-
tion by some increased wages which I may get thereby now and
again.

I am the son of a poor soldier who died while I was yet
young leaving a legacy of a large family of daughters who are
my dependents and who will join with me to thank you for any
good and charity that you may give to my case.

Permanent since 6.11.09

The S.E.I circle forwards with his letter quoted above an application from Mr. Southwell a clerk of his office on Rs 30, for ^{further} permanent exemption from examination rules.

⑦ 2

In G.O. no 564 E/L d 10.10.09

Mr. Southwell was permanently exempted from the Upper Secondary Examination for the purpose of employment as a clerk in the IV class, 3rd grade (Rs 20-30). He was also exempted from the age bar in memo no 706 C d 16.11.11. The S.E. now recommends that the clerk be permanently exempted from the provisions of article 1 of the Public Service Notification for the purpose of his appointment to posts carrying salaries in excess of Rs 30. The reasons for the S.E.'s recommendation are (1) that the clerk has studied up to the matriculation class and got sufficient knowledge of English

and

and is otherwise equal to a matriculate (2) that he has uniformly been acquiring himself well in his work and (3) that he belongs to the Eurasian Community and is bred and brought up under European Customs and habits and is unable to meet the increased Cost of living with his present pay.

3 It is ~~that~~ ^{Mr Southwell's} submitted that ~~the case may be treated as a special one.~~ ^{the case may be treated as a special one.} But

I had perhaps it would be desirable, as is usual in such cases, to ^{3.11.13} impose a limit of pay beyond which he cannot be promoted without further exemption. At present, there are 10 grades of clerks in the P.W.D. on rates of pay shown in the margin. ~~Perhaps~~ The grades on Rs 80 and Rs 70 are reserved for divisional head clerks. Mr Southwell may perhaps be exempted up to ~~Rs 60~~ Rs 60. With these remarks, the file may be transferred to the Educational Department no. 40
