**Note by the Chief Engineer, Public Works Department, No. 8647-C,
dated 15th November 1913.**

The Director of Public Instruction submits for sanction through the Educational Department two plans and one estimate, amounting to Rs. 7,800, for constructing a Danish Mission elementary school at Keelur, South Arcot district.

2. The plans and estimates have been scrutinized in the Chief Engineer's office and some minor alterations effected in the scantlings of the roof timbers.

3. The height between the bressummer and floor in the front verandah has been increased from $5\frac{1}{2}$ to 7 feet.

4. The height of the arches to the side wings is too high to fix the trusses and the span has been reduced to 10 feet as shown at F in green on the plan.

5. Eave boards are not necessary and have been removed from the estimate.

6. One foot on top of the walls should be built with brick in lime mortar.

7. Base stones under the verandah stone columns omitted in the estimate are now provided.

8. There is no provision in the estimate for securing the bressummers to the verandah stone pillars. Iron bolts are now provided for the purpose and they should be fixed in the columns with lead.

9. The pressure on the soil which is stated to be coarse sand is 0.55 ton per square foot and is within safe limits.

10. With the above remarks the estimate as altered in the Chief Engineer's office, amounting to Rs. 7,900, is recommended for sanction.

Order—No. 1095, Educational, dated 22nd November 1913.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure nor Rs. 3,950 towards the cost of construction of a building for the Danish Mission elementary school, Keelur, South Arcot district, subject to the following conditions:—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.
