GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D. Sc., F.R.S., K.C.I.E.,
Director of Public Instruction.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—Madras, the 26th September 1913.
No.—R.C. 6730.

I have the honour to address Government regarding the utilization of the services of an officer of the Indian Medical Service for the delivery of a course of lectures to the students of the L. T. class in the Teachers' College, Saidapet, on the physiological portion of the syllabus in Theory and Practice of Education, an extract from which is enclosed for facility of reference.

2. The Principal, Teachers' College, Saidapet, represented to me that while it would be possible to find a member of the college staff with sufficient theoretical knowledge of physiology and school hygiene to coach up the L. T. students for the University examination on this part of the course of study the instruction imparted by a qualified and experienced medical man would prove to be permanently useful and practically profitable to the students. Thereupon, I requested the Surgeon-General with the Government of Madras to give his views on the proposal and to state whether he could arrange for one of his officers to give the lectures. In reply, he has stated that Lieutenant-Colonel C. Donovan, I.M.S., Professor of Physiology, Medical College, Madras, is willing to undertake the work subject to the following conditions, viz.—

- (1) that the students attend the physiological laboratory, Medical College, twice a week for a month or six weeks,
- (2) that the period of the year suitable for the lectures is between July and December, and,
- (3) that a remuneration of Rs. 20 per lecture of one hour's duration should be given.

After a personal discussion with Colonel Donovan the following programme has been finally settled by Mr. Mayhew, viz.—

- (1) that the students must attend the lectures once a week, *i.e.*, every Saturday at the physiological laboratory of the Medical College;
- (2) that a course of ten hours in the aggregate is to be the minimum at present, though it might be necessary after some experience to extend the course by one or two hours; and,
- (3) that the lecturer's remuneration of Rs. 20 should be reckoned by the hour for the course as a whole.

In view of the fact that the Principal's proposals are quite in accord with the recent resolution of the Government of India on school hygiene and that it is very important that the teachers should leave the Training College with a sound knowledge of the elements on this subject, I beg to request that the arrangement as programmed above may be sanctioned.

3. The extra expenditure which the above proposal will entail during the current year is estimated at Rs. 340 which includes Rs. 240 the probable honorarium to the lecturer and Rs. 100 for payment to the students of single third-class fare for each journey performed from Saidapet to Park and back.

4. I submit herewith the necessary re-appropriation statement for the sanction of Government.
5. As it has been arranged that the classes should commence work on the 18th October next, I solicit the favour of early orders.

ENCLOSURES.

(1)

Copy of the Theory and Practice of Education syllabus.

(A) The elements of human physiology with special reference to the nervous system and the organs of sense and to physiological stages of development during childhood and youth. School hygiene including lighting and ventilation of school rooms, school furniture and its arrangement, detection of physical imperfection and of ill-health and measures to be taken by the teacher in typical cases. Fatigue: signs of and means of avoiding over-fatigue. Physical training, gymnastics, drill and out-door games: how far these are a remedy for mental fatigue.

(2)

RE-APPROPRIATION Statement to accompany all applications for sanction to expenditure not provided for in the budget or for additional allotments.

Major, minor, sub and detailed heads of budget (a)	Heads of estimate proposed to be increased.				Heads of estimate proposed to be reduced.			
	Amounts as in the sanctioned estimate.	Actual expenditure up to date.	Probable expenditure during remainder of the year.	Amount of additional allotment required.	Amounts as in the sanctioned estimate.	Actual expenditure up to date.	Probable expenditure during remainder of the year.	Amount available for re-appropriation.

Forwarded.

2. Under paragraph 3 (b) and note 1 to paragraph 5 of rule III of the rules communicated in Government of India Resolution No. 368-Gl. (E.A.), dated 15th March 1913, in the Finance Department, recorded in G.O. No. 297, Financial, dated 23rd April 1913, the sanction of the Secretary of State will be necessary for the proposed grant of the recurring honorarium to Lieutenant-Colonel C. Donovan, I.M.S.

3. The charge on account of the grant to the students of single third-class railway fare from Saidapet to Park railway station and back may, if Government approves, be incurred by the Principal, Teachers' College, under the power delegated to him in G.O. No. 473, Financial, dated 30th July 1912.

4. The proposed re-appropriation requires the sanction of Government in the Financial Department.

J. C. MITRA,
Offg. Accountant-General.

To the Secretary to Government, Educational Department.

Order—No. 1111, Educational, dated 26th November 1913.

The Government approve the proposal of the Director of Public Instruction to institute a course of lectures in physiology for the students of the L.T. class in the Teachers' College, Saidapet, to be delivered by the Professor of Physiology in the Medical College, Madras.

2. The proposal to pay the students single third-class railway fare for their journeys from Saidapet to Park and back is also approved.

3. The Government of India will be addressed with regard to the grant of the remuneration proposed for the Professor.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

No. 1112, Educational.

From

THE HON'BLE MR. W. FRANCIS, I.C.S.,

Acting Secretary to the Government of Madras,

Educational Department.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF EDUCATION.

Dated Fort St. George, the 26th November 1913.

SIR,

I am directed to address the Government of India regarding the grant of remuneration to the Professor of Physiology in the Medical College, Madras, for delivering a course of lectures in physiology to the students of the L.T. class in the Teachers' College, Saidapet.

2. The syllabus of the course of study for the L.T. degree examination prescribed by the University of Madras (an extract from which is enclosed) demands on the part of the candidates a knowledge of the elements of human physiology and school hygiene, a subject the importance of which to the teaching profession has been strongly urged in paragraph 7 of the Resolution of the Government of India, No. 301 C.D., dated 21st February 1913, on educational policy. The Teachers' College, Saidapet, which trains students for this degree, has thus to provide for a course of lectures in physiology and though this could be undertaken by any of the members of the college staff who possesses a certain theoretical knowledge of physiology and school hygiene, His Excellency the Governor in Council considers that if the course is to prove permanently useful and practically profitable to the students, the lectures should be delivered by a qualified and experienced medical man, preferably a member of the Indian Medical Service. It has accordingly been arranged that the course, which should consist of about twelve lectures of one hour's duration each, should be undertaken by the Professor of Physiology in the Medical College, and that for the additional work thus imposed upon him, the Professor should receive a remuneration of Rs. 20 per lecture. The lectures will be delivered on Saturdays at the physiological laboratory of the Medical College.

3. It is pointed out by the Accountant-General in an endorsement, of which I attach a copy, that under paragraph 3 (b) and note (1) to paragraph 5 of rule III of the rules issued with the Resolution of the Government of India, Finance Department, No. 368-Gl. (E.A.), dated the 15th March 1913, the sanction of the Secretary of State is necessary for the grant of this remuneration and I am to request that the Government of India will be pleased to obtain this sanction.

I have the honour to be,

Sir,

Your most obedient servant,

W. FRANCIS,
Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. Nos. 1111-12, EDUCATIONAL,
DATED 26TH NOVEMBER 1913.

[SUBJECT.—*Institution of a course of lectures in Physiology to the students of the L. T. class in the Teachers' College, Saidapet.*]

From the Director of Public Instruction, dated 26th September 1913, R.C. No. 6730.

Demi-official—from J. H. STONE, Esq., M.A., Special Deputy Director of Public Instruction.
To—the Hon'ble Mr. W. FRANCIS, I.C.S., Acting Secretary to Government, Educational Department.
Dated—the 15th October 1913.

I addressed you for Bourne in R.C. No. 6730, Educational, dated 26th October 1913, on the subject of providing special lectures in physiology and school hygiene for the students in the Teachers' College.

Mayhew now represents that unless orders are received very soon, there will not be time for the proposed course in the current college year even should they be favourable.

I should therefore be greatly obliged if early orders could issue.

The proposal of the Director of Public Instruction to arrange for a course of lectures to the students of the L. T. class of the Teachers' College by a member of the Indian Medical Service seems sound and may, it is submitted, be accepted with the concurrence of the Public Department. It is not apparently possible to induce any of the Indian Medical Service officers, either of the regular line or of the Sanitary Department, to undertake the task without additional remuneration. Such payments are made in other classes also. Please compare G.O. No. 149 L., dated 30th January 1913.

Rs. 240, remuneration for the lecturer and Rs. 340 per year and is not much considering the importance of the instruction.
Rs. 100, railway fare of students.

2. The necessity for the sanction of the Secretary of State to the proposal—vide paragraph 2 of Accountant-General's endorsement in the current file—will render it impossible to give effect to the proposal in the current year. This may perhaps be secured by sanctioning the arrangement as a temporary measure for one year for the present. Under article 72 (b) of the Civil Service Regulations, the sanction of this Government will be sufficient for the acceptance of the remuneration by Col. Donovan. The Secretary of State may, in the meanwhile, be addressed and his sanction obtained to the permanent arrangement. If this suggestion is accepted, the remarks of the Financial Department may be obtained u.o.

S.K.—24-10-13.

C. RAMANUJACHARI—24-10-13.

School Hygiene is greatly in the air at present. A Committee is sitting on it. It seems advisable to get the elements of the matter into the heads of the rising generation of teachers.

W. FRANCIS—25-10-13.

To the Financial Department.

FINANCIAL DEPARTMENT.

For the Assistant Secretary—

As pointed out by the Accountant-General, the sanction of the Secretary of State is necessary to the grant of the proposed honorarium to Lieut. Col. Donovan. There is no question that the honorarium will be a recurring one and it would therefore be a clear evasion of the rules to adopt the proposal of the Education Department to sanction the arrangement as a temporary measure for one year for the present. As the proposed expenditure will not be incurred immediately, it is for consideration whether the Director of Public Instruction may not be asked to give effect to the proposal at once in anticipation of the sanction of the Secretary of State, which may be asked for and obtained as early as possible.

C. K. KUNHIRAMAN—31-10-13.

T. HARI RAO—31-10-13.

The proposal is for orders.

C. R. KELLY—31-10-13.

The sanction of the Secretary of State will be necessary and may be applied for. I think the lectures may wait till it is received.

W. O. HORNE—31-10-13.

To the Educational Department (please circulate to Honourable Member, Financial.)

EDUCATIONAL DEPARTMENT.

*His Excellency the Governor—**Hon'ble Sir Harold Stuart—*

For orders whether the new lectures should wait for the Secretary of State's orders. If the present opportunity is lost, they can't be given to this year's students. It is a very small sum (Rs. 340) and the Secretary of State is hardly likely to refuse sanction.

W. FRANCIS—1-11-13.

P[ENTLAND]—14-11-13.

May be sanctioned if it is not too late.

H. A. S[TUART]—19-11-13.

Draft.

W. FRANCIS—20-11-13.

A draft order and a draft letter to the Government of India are submitted for approval. If approved, they may be sent to the Public and Financial Departments for acceptance.

Approved.

S.K.—21-11-13.

W. FRANCIS—22-11-13.

T. KANAKASUNDARAM PILLAI—22-11-13.

To the Public Department } for acceptance.
„ Financial „ }

PUBLIC DEPARTMENT.

From paragraph 2 of the Director of Public Instruction's letter it will be seen that he consulted the Surgeon-General before forwarding the present proposals. The draft may, it is submitted, be accepted in this department and the file passed on to Financial.

H.T.—22-11-13.

Yes.

A. J. CURGENVEN—25-11-13.

To the Financial Department.

FINANCIAL DEPARTMENT.

Cf. Ruling in Resolution No. 3009, S.R., dated 9th July 1898, in G.O. No. 632, Financial, dated 21st July 1898.

The draft order and letter may be accepted. It is presumed that the Educational Department will send copy of the Accountant-General's endorsement to the Government of India.

T.H.R.—25-11-13.

C. R. KELLY—25-11-13.

W. O. HORNE—25-11-13.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Issue sharp. I have altered the draft so as to make it include copy of Accountant-General's endorsement.

W. FRANCIS—26-11-13.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.
