84. Will Government be pleased to state
- (a) the number of secondary schools which have during the period 1907-13 sunk to the status of elementary schools, and
 - (b) the number of elementary schools which have during the same period risen to the status of secondary schools, in both cases classifying them according to management into
 - (i.) local and municipal board,
 - (ii.) mission, and (iii) other ?

The classification of schools into 'secondary' and 'elementary' instead of ~~the~~ 'upper + lower primary + upper + lower secondary' was introduced by the ^{Editing the} ~~last~~ Educational Rules ~~which~~ ~~was adopted~~ of 1906. The information required by the addl member in clause (a) of the question is given in ~~the~~ Vol II of the Public Instruction Reports for 1910-11 + 1911-12. The reports of the previous years do not give ~~the~~ similar statistics for those years. Even in the reports of 1910-11 + 1911-12 ~~the~~ ~~if~~ schools under mission management are not shown separately. Statistics required by the additional member in clause (b) of the question are not given in any report. The A.P.S. may, it is submitted, be requested ^{to state whether they can} ~~to state whether they can~~ furnish the information required in clauses (a) + (b) of the question in the form desired by the Additional member without ^{8/11} ~~25/11/13~~ difficulty and if so, when.
