Station Madanapalle, Dated the 2nd October 1913

From (Name) C. A. Sauter Esqr., I.C.S.,
(Designation) President, Taluk Board, Madanapalle.

To the Secretary to the Government of Madras,
Local and Municipal Department.
Madras.

Through

The President,
District Board,
Chittoor.

Sir,

I have the honour to submit the following proposal for the orders of Government;—

2. Of the 39 Board Schools in my division which are maintained from the ordinary resources of the Taluk Board, 27 schools are provided with buildings. Of this ~~10~~ ^{nearly} 10 buildings are badly in want of repairs. One of them is also in need of extension.

3. Notwithstanding the repeated requests of the Educational

authorities to put the buildings in repair, the Board has not been in a position to make any provision in this direction. The Madanapalle Taluk Board is one of the poorest Boards in the Presidency and can ill afford any considerable expenditure. As a consequence, the buildings of three schools have become quite unfit for use and the respective schools have been located in rented buildings. If repairs are not executed to them soon, the condition of the remaining seven buildings must deteriorate greatly. A statement showing the names of the schools, the buildings of which are proposed to be repaired, the nature of the repairs to be executed and the approximate cost of the proposed repairs is appended.

4. I have made an application to the President, District Board, Chittoor, for a share in the subsidy of Rs. 28,000 sanctioned by Government for the Chittoor District in their order No. 771 D.I., dated 19.8.1913 but that sum has been sanctioned for the construction of new buildings and does not relate to the present reference.

5. In para 5 of his letter No. R.O.C. 2462 of 1912, dated 19.7.12 embodied in the G.O. quoted in para 4 supra, the Director of Public Instruction has proposed that the balance of Rs. 5,900 may be spent on any unforeseen or urgent demands. My proposal is, I beg to submit, of such a nature.

6. I have, therefore, the honour to request that you will be so good as to obtain the sanction of Government for a subsidy of Rs. 3,000 for urgent repairs to school buildings in my division.

I have the honour to be
Sir,
Your most obedient servant,

N. Venkataswami

C. No. 49381 From the P. F. B. Madanapalli No 368, dated 2.10.1913.

SUBJECT.

Application for a Provl grant of Rs 3000 for repairing certain School buildings.

The P. F. B. Madanapalli applies for a Provincial grant of Rs 3000 for carrying out repairs to ten Board School buildings. In the opinion of the President (Mr. Sente) the Madanapalli Taluk Board is one of the poorest Boards in the Presidency. Recently when the Madanapalli Taluk Board came up with proposals for the revision of establishment in certain board elementary schools under it, and asked for grants from Provl funds to meet the cost thereof, the Commr enquired of the Dist Bd if it could help the Taluk Board. But the grant then applied for were of a recurring nature. The Dist Bd having pleaded inability the cases have been referred to the Educational Dept for remarks.

It is submitted that the present application for a Provl grant of Rs 3000. may be forwarded to that dept for favour of remarks. a letter the District Commr

Submitted that grant for repairs
is not a new thing, for it is recognized in
art 50(2) of the Grant in Aid Code. Under
this article grants may be sanctioned
for "executing extensive alterations and
repairs to buildings which have been
newly purchased for school purposes". In
the present case the repairs probably are
neither extensive nor are they in respect of
buildings newly purchased. The Grant
in Aid Code, however, is not applicable
to Local Boards, and there is nothing to
prevent the grant of the amount of Rs 3,000
applied for by the Madanapalle Pk Bd.

2. In giving ^{concerning} a grant of 17 lakhs for elementary schools the Govt of India ^{generally} stated that the grant was intended for the erection and equipment of such schools. Grant has been sanctioned for the erection of a Gurandah & a school and for the improvement of a garden attached to another. Though each of the items proposed in the present case may be too insignificant an object for a grant, their aggregate amounts to a decent figure.

3. Out of the sum of Rs 5900 mentioned in para. 5 of the T.H.H. President's letter, allotments amounting to Rs 3090 have already been sanctioned leaving a balance of Rs 2810 ^{which is now available} ~~which may be given~~ to the T.H.H. The remaining Rs 190 can easily be found from the reserve if it is decided to make the grant.
