Please see notes on page 2 and the question

(J) and answer on page 6 of G.O., No. 323 Edl., dated 18th
(M) April 1913. In his letter No. 3593, dated 7th August 1913
the Director of Public Instruction reported that the
settlement of the details of the utilization of the --
Imperial grant to the University, so far as this is to be
applied to instruction in Oriental languages, must precede
the submission of proposals to bring the Presidency
College up to the necessary standard for affiliation in
Group VI. It has already been decided that a sum of
Rs. 36,000 should be utilized for the development of the
study upon modern lines of the languages of India, and --
especially of South India; but the details of this scheme
have only just been settled, viz., at the meeting of the
Senate held on the 18th October. The Director of Public
Instruction may be expected to send in his promised report
shortly. To make sure, the following telephonic message
may be sent to him:-

"Please refer your letter No. 3595 dated 7th August
1913 regarding the further affiliation of the Presidency
College in Group VI. Now that the Senate has finally
settled the details for the utilization of the Imperial
grant for Oriental languages, may your report be expected
shortly? One of the additional members is asking a
question about this at the next Council meeting."
