S i r ,

I have the honour to request that you will be so good as to obtain the sanction of Government to the employment for a period of one year from 1st October 1913 of an additional teacher on Rs 10/- per mensem in the Government Girls' School, Namakkal.

2. The present strength of the school is reported to be 190 in eight standards, while the staff consists of six teachers only on Rs 30,20, 14,12,10 and 10. the three highest standards in addition to supervision and other work connected with the school. I consider, therefore, the employment of an additional teacher for the infant standard to be necessary to allow of an equitable distribution of work among the staff.

As for the funds required for meeting the extra expenditure involved by the above proposal during the next year, I shall submit another statement of re-appropriation on receipt of the Civil Budget Estimates for that year.
