Sir

I have the honour to request that you will be so good as to grant me permission to apply for any appointments that may become vacant in any other department of Government Service.

The reason the above request is made is that I see no further prospects of advancement in my present position. I commenced service under Government in January 1901 on a salary of Rs 350/- per mensem, and am now drawing a salary of Rs 450/- per mensem which was sanctioned in January 1906 or 7½ years ago.

I am given to understand that it is not the intention to place any more of the Instructors of the College of Engineering on the Provincial Educational Service; under these circumstances they will in all probability not be included in either class I or class II.

of officers as set forth in the memorandum now before
Government for the reconstruction of the Educational
Department. It therefore, appears as if I am likely to
remain in my present state, for the remainder of my
service under Government (17½ years). My children
in England are absorbing half of my present pay
for their support and education. Under these
circumstances I pray that my request may be granted.

I have the honour to be

Sir

Your most obedient servant.
