To

The Chief Secretary to the Government of
Fort St. George.

Dated Simla, the 6th November 1913.

Sir,

The Government of India have under consideration the question of obtaining from Local Governments, for about two months in each year, the services of two European officers of the Indian Educational Service, to carry out the inspection of the Chiefs' Colleges and the conduct of the diploma examinations. Hitherto the practice has been for the Government of India to nominate two officers for this work, one qualified in science and mathematics and the other on the literary side, and to ask the Local Governments concerned for the loan of their services. This procedure has been found to be inconvenient and cause delay, since the services of the officers nominated are not always available. It is now proposed to ask Local Governments in ~~October~~ ^{November} of each year, for a list of the officers whom they can recommend and spare for these duties, from which a selection would be made by the Government of India. I am accordingly to request that with the permission of the Governor in Council the Government of India may be furnished, at an early date, with the names of officers who are considered qualified and who are

Willing

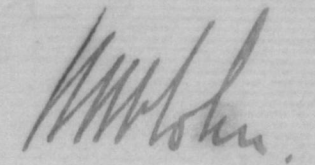

2
willing to undertake these duties during the next Spring.

2. The inspection and examinations of these colleges will take place in March and April next, and the services of the officers selected would be required for about two months. Their duties in connection with the diploma examinations would be to assist in setting and correcting the examination papers and they would be required to report the results direct to the Government of India in the Department of Education. For these duties they would each be granted an honorarium of Rs. 500/- in addition to salary and travelling allowance under the Civil Service Regulations.

I have the honour to be,

Sir,

Your most obedient servant,

Assistant Secretary to the Government of India.
