Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of one year, with effect from 1st December 1913, of an additional assistant on Rs 20 per mensem in the Government Girls' School, Kallakkurichi.

2. The present total strength of the school is 120 as shown in the margin and the Inspectress of Girls' Schools, Central Circle states that the staff of four teachers viz., one on Rs 14, another on Rs 12 and two more on Rs 10 each, sanctioned for it find it difficult to cope with the work. She adds that efficient teachers are unwilling

to go to Kallakkurichi which is about 30 miles distant from the nearest railway station, unless they are adequately remunerated and considers that a capable teacher possessing, if possible, a teachers' certificate of the secondary grade is required to run the school properly, as it has suffered considerably owing to the fact that none but the worst teachers have been hitherto available for employment in that out-of-the-way locality. The proposal appears to me to be reasonable.

3. The extra expenditure during the current year will amount to Rs 60/- for meeting which I beg to submit herewith a re-appropriation statement. For the amount required for 1914-15, a similar statement will be submitted to Government after the Civil Budget Estimate for that year is received.

I have the honour to be,
