Endorsement—of the Collector of Tanjore.
No.—D. Dis. 3922.
Dated—the 30th September 1913.

Order—Mis. No. 2380 M., dated 27th November 1913.

In the papers read above the Municipal Council of Māyavaram applies for a Provincial grant for carrying out the following works :—

	Estimated cost. RS.
(1) Formation of a garden and museum for the use of all elementary schools in the town	3,500
(2) Improvement of the play-ground of the municipal high school ..	4,000
(3) Improvements to the high school buildings	34,760

2. The Government have already sanctioned in G.O. No. 771, Educational, dated 19th August 1913, a grant of Rs. 3,500 for the formation of a common garden and museum for the elementary schools. Separate orders will now issue in the Educational Department making another grant of Rs. 4,000 in the current year for carrying out the improvements to the play-ground attached to the municipal high school.

3. As regards the improvements to the high school buildings, the Government regret that they are unable to make a grant of the whole of the estimated cost (Rs. 34,760) from Provincial funds. They will be prepared to consider the question of giving a moiety of the cost as a free grant next year, if funds permit, and of advancing the other half as a loan repayable in twenty years with interest at 4 per cent. per annum. If the Council accepts this arrangement, an application for a loan of Rs. 17,380, or Rs. 17,000 in round figures, should be submitted to Government early next year.

4. It is observed that plans and estimates for the construction of a fish market in Kornad, the reconstruction of the Webster market and the scheme of town extension towards Rajantottam which have been referred to in the correspondence and for which a loan is required from Government, have not yet been sanctioned by competent authorities. The Council will be requested to obtain their sanction as soon as possible and submit the application for a loan of the amount required thereafter.
