G.O. Mis. No. 1094 M., dated 5th June 1913.

3. The Government are not prepared to sanction the transfer of the municipal girls' school (at Tirupati) to Government management and consider that the Government girls' school may also be placed under the control of the Municipal Council, both schools being maintained by a contribution from Provincial funds. The Council will be requested to state whether it accepts this suggestion.

Letter—from M.R.Ry. K. RAGHAVENDRA RAO PANTULU Garu, B.A., Chairman, Municipal Council, Tirupati.

To—the Secretary to Government, Local and Municipal Department (through the Divisional Officer and the Collector of Chittoor and the Director of Public Instruction).

Dated—the 16th July 1913.

No.—R.O.C. 181.

With reference to paragraph 3 of G.O. Mis. No. 1094 M., dated 5th June 1913, I have the honour to bring to your kind notice that the Council at its meeting held on 12th July 1913 consented to take up the management of the Government girls' school also provided the entire cost of both schools is borne by Government. In this connection I wish to bring to your kind notice that, unless the entire cost of maintaining the present municipal girls' school which comes up to Rs. 1,000 annually in round figures is borne from the Provincial grants, the total expenditure on education of both boys and girls under the management of this municipality will be about 20 per cent. of the total receipts which is a very large percentage for this poor municipality to incur. The total cost should not under any circumstances exceed 12 or 13 per cent. Unless the whole cost of both the girls' schools is met from the Provincial grants the percentage on education will be as high as ever. This is animadverted upon in all Government administration reviews of this municipality. It is for this purpose of reduction of expenditure on education the Council proposed the amalgamation of all primary schools under the municipal management into three schools. The Government accepted the proposals and wanted the Council to consider whether it is prepared to take up the management of Government girls' school also. The existence of two girls' schools is essential for the education of girls in this town but to minimize the expenditure the said proposal of meeting the entire cost from the Provincial grants is submitted.

2. It is therefore requested that you will kindly place before the Government this aspect of the matter and obtain the sanction of Government to meet the entire cost of both girls' schools from the annual Provincial grants.

3. An extract of proceedings of the Council held on 12th July 1913 is herewith submitted.

ENCLOSURE.

Proceedings of the Municipal Council of Tirupati, dated 12th July 1913.

PRESENT:

Resolution No. 18.—Recorded.

2. The Council is prepared to take up the management of the Government girls' school also in addition to the present municipal girls' school, provided the entire cost of maintenance of both schools is borne from the Provincial grants, as the crippled resources of this municipality could not afford to spend money for this branch as more pressing sanitary works are left undone for want of funds.

2. The actual saving on the consolidation of the seven boys' schools into three was Rs. 40, which reduced the percentage of expenditure on education from 22.88 to 22.56. The result of the present proposal will be a saving of Rs. 850 which will reduce the percentage to 15.86. If the municipality takes over the Government girls' school, the additional expenditure will be Rs. 1,390 raising the percentage to 33.64.

Collector.

Submitted to Government with reference to their Memorandum No. 4100-1 M., dated 10th September 1913, and in continuation of this office R.C. No. 5769, dated 26th September 1913.

2. The Government girls' school at Tirupati may be transferred to the management of the Municipal Council and the balance of the budget provision for the school may also be transferred to the Council.

3. The cost of the already existing municipal girls' school may be met from the balance under the recurring portion of the Imperial grant.

A. G. BOURNE,
Director of Public Instruction.

Order—No. 1201, Educational, dated 16th December 1913.

NOTES CONNECTED WITH G.O. No. 1201, EDUCATIONAL,
DATED 16TH DECEMBER 1913.

[SUBJECT.—*Regarding the transfer of the Government girls' school at Tirupati
to the control of the Municipal Council.*]

LOCAL AND MUNICIPAL DEPARTMENT.

From the Chairman, Municipal Council, Tirupati, dated 16th July 1913, No. 181.

Please see notes and orders connected with G.O. No. 1094 M., dated 5th June 1913. With reference to paragraph 3 of the said Government Order, the Municipal Council of Tirupati states that it is prepared to take up the management of the Government girls' school in the town also in addition to the present municipal girls' school, provided that the entire cost of maintaining both the schools is borne from Provincial funds. It is submitted that Government have already agreed that these schools should be maintained by a contribution from these funds. As orders regarding the transfer of the Government girls' school to the municipality should issue in Educational, the file may be forwarded u.o. to that department.

From paragraph 3 of the Director of Public Instruction's endorsement No. 2660,*
dated 9th April 1913, and the notes with
* Page 21 of G.O. No. 1094 M., dated 8th June 1913. G.O. No. 1094 M., dated 8th June 1913,
it will appear that the intention was to
pay the entire cost of the maintenance of the two schools as a contribution from
Provincial funds; in other words, the Government have to bear the net cost of the
two schools. A draft order is submitted,
which may issue with the concurrence of
Financial.

2. As regards the funds from which the cost of the two schools should be met, please see the Director of Public Instruction's endorsement in the current file. In dealing with the Director's proposals for the distribution of subsidies among district boards and municipal councils for the maintenance of schools opened in 1911-12 and 1912-13, it was observed that the proposals were well within the available resources and that the Director might submit proposals of a recurring nature to the extent of Rs. 4,982; but, owing mainly to larger amounts provided for capitation allowances than were originally anticipated, the budget for the next year as framed by the Director of Public Instruction fully exhausts the recurring Imperial grant of 6.8 lakhs. The amount needed for the municipal school will have therefore to come from ordinary Provincial funds. Financial may be requested to make the necessary provision for the purpose in the budget for the next year which is now with them. As for the current year, the Director may be asked to submit a reappropriation statement if necessary.

C. RAMANUJA ACHARI—2-12-13.

FINANCIAL DEPARTMENT.

In the budget for 1914-15, a provision of 1.21 lakhs has been entered under the head "22. EDUCATION—Government Schools—General—Payment in support of local board and municipal schools" for the expansion and improvement of elementary education. The charge * in the present case can, it is submitted, be met from this provision.

* About Rs. 2,184 (recurring)—vide Financial Notes in G.O. No. 1094 M., dated 5th June 1913.

2. The draft may, it is submitted, be accepted in Financial.
