No. 1853-P

Station Madras, Dated the 21st November 1913.

From (Name) C.B. Cotterell Esq., I.C.S.,

(Designation) Private Secretary to His Excellency the Governor.

To the Secretary to the Government of Madras,
Educational Department.

Sir,

I am desired to transfer to you for disposal by the Government the enclosed memorial, dated the 19th November 1913, from the Pupil-teachers of the Government Training School at Coimbatore.

I have the honour to be,
Sir,

Your most obedient servant,

B. L. V.

Private Secretary.

To

His Excellency the Governor in Council

M A D R A S

Tiro'

The Private Secretary to His Excellency,

the Governor of Madras.

May it please Your Excellency,

That the Pupil-teachers of all grades of the Government Training School for Masters' Coimbatore most respectfully beg to submit the following humble memorial.

1. That Coimbatore has been infected with plague since August 1913, and a greater portion of the town has been evacuated; and almost all the hotels being closed, we suffer the most for want of a hostel and lodging; and the school is located in the heart of the infected town.

2. That the school was, during the previous plague-years of 1904 and 1909, transferred to Trichinopoly and Salem respectively. And this concession having been withheld in the year 1911, when there was severe plague the pupil-teachers were asked to remain at Coimbatore after getting & themselves inoculated. With the result that two poor young teachers under training fell victims to the epidemic.

3. That now the Director of Public Instruction was memorialised to in October last, and we have been once more advised to remain in the town after inoculation.

4. That last week, one of the normal students has died of plague and another is now suffering from high fever, so that our lives devoted to the cause of Education are subject to a grave risk.

5. That under these pitiable circumstances, we most respectfully request Your Excellency taking much interest in the cause of Education may be pleased to order for the removal of the school to some other place or to close the school temporarily until the town gets free.

Resubmitted to Government.

2. The original petition from the students addressed to me through the Inspector of European and Training Schools was carefully considered by Mr. Stone when he paid a visit to Coimbatore in October last and in consultation with the Collector who objected to the transfer of the school on the ground that such a course would accentuate panic he refused to accede to the request of the petitioners. All the students are reported to have been inoculated, and, if there are any who have not yet been ~~treated~~ treated, they may get themselves inoculated immediately.

3. I have also consulted the Collector during my present stay at Coimbatore and in accordance with his advice do not propose to recommend to Government either the closure of the school or its removal to some other place even as a temporary measure.

I understand that the District Medical and Sanitary Officer, Coimbatore holds the same opinion.

4. The provision of temporary quarters for the students outside the infected area is under consideration.
