NOTES CONNECTED WITH G.O. No. 1230, EDUCATIONAL,
DATED 22ND DECEMBER 1913.

[SUBJECT.—*Application for a grant of Rs. 15,000 for the construction of a building for the Board High School, Anantapur.*]

From the Director of Public Instruction, No. 162, dated 31st October 1913.

The Director of Public Instruction recommends that the amount of Rs. 15,000 required may be met from the non-recurring Imperial grant* for 1914-15. Before considering this recommendation, Local and Municipal may be requested u.o. to examine the proposal on its merits and to state, from an examination of the financial position of the Gōdāvari District Board, whether the required amount cannot be provided from the Board's funds.

LOCAL AND MUNICIPAL DEPARTMENT.

The Taluk Board of Rajahmundry, which controls the Amalapur High School, had to its credit at the end of the year 1912-13 a balance of Rs. 23,022. It is not known what portion of this amount relates to lapses out of the Provincial grants made for specific purposes or what portion of the balance has actually been allotted for expenditure in the current year. In these circumstances it cannot be stated whether the taluk board can provide Rs. 15,000 from its funds towards the cost of the school building. The Inspector of Schools and the Director of Public Instruction recommend that the amount may be met from Provincial funds. For orders whether detailed information as regards the financial position of the taluk board should be called for.

2. The budget estimate of the district board and of the several taluk boards as a whole closes the year 1913-14 with a balance of Rs. 20,690 or 4.2 per cent. of the receipts under general funds, while the minimum limit prescribed by Government is 5 per cent. The accounts of the year 1912-13 (for all the local boards taken together) closed with a deficit of Rs. 54,308 owing to short adjustment of Rs. 1,02,891 under land-cess. If the whole amount is adjusted in the current year there will be a balance of Rs. 48,583 but it cannot be ascertained what proportion of this pertains to the Rajahmundry Taluk Board.

C. V. KRISHNASWAMI AYYA—17-11-13.

K. V. VISVANATHA AYYAR—18-11-13.

The Taluk Board says that it can't afford to pay : and it seems clear that District Board cannot.

F. B. EVANS—19-11-13.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

From statement XIV submitted with the administration report of the Gōdāvari District Board for 1912-13 it is observed that the present school buildings were constructed from local funds and belong to the Taluk Board.

2. The necessity for the additional building is explained in the specification report forwarded with plans and estimates (which were prepared by the District Board Engineer). It is presumed that the proposed additional building will be erected under his supervision.

3. Submitted that, with the concurrence of Financial, the application for a grant of Rs. 15,000 may be sanctioned. This amount will have to be met from the non-recurring Imperial grant of 45 lakhs and paid in 1914-15.

B. GOPALA ACHARI—26-11-13.

C. RAMANUJA ACHARI—27-11-13.

Yes, draft and send to Financial for acceptance.

W. FRANCIS—28-11-13.

FINANCIAL DEPARTMENT.

It is proposed to sanction the payment in 1914-15 from the special non-recurring Imperial grant for Education of 49 lakhs—of this sum, 16.20 was allotted in 1913-14 and 16.20 has been entered in the budget for 1914-15—a grant of Rs. 15,000 to the District Board, Gōdāvari, towards the cost of the construction of a building for the Board High School, Amalapur. The work will be executed by the District Board Engineer—portion A above—and the charge is debitable to the head "45. CIVIL WORKS—IN CHARGE OF CIVIL OFFICERS."

W. O. HORNE—16-12-13.

2. The portion (16.20 lakhs) intended for expenditure in 1914-15 out of the non-recurring Imperial grant (49 lakhs) for Education has been entered in full† in the budget for 1914-15 for various other objects. On the other hand, it is anticipated that there will be a lapse of about four lakhs in the Imperial grant for the current year.

Submitted that it seems preferable to disburse the proposed grant of Rs. 15,000 to the Gōdāvari District Board in the current year. Orders are solicited.

3. The draft order may be accepted, subject to the orders which will be passed on B in the previous page.
