Station VELLORE, Dated the 14th November 1913.

From (Name) N. E. Marjoribanks, Esquire, I. C. S.

(Designation) Collector of North Arcot.

To the Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to forward herewith the petition of Azizunnissa Begum, widow of the late Haji Muhammad Hussain Khan Sahib Bahadur, political pensioner No. 3 referred to in the Appendix B attached to Government Order No. 18, Political, dated 21st January 1890, praying that one of her sons Ghulam Muhammad Sahib aged 22 years may be exempted from the general educational qualification prescribed for those who wish to enter Government service.

2. Haji Muhammad Hussain Khan Sahib Bahadur was the son

of Muhammad Makdoom Khan Sahib Bahadur who was the son of Muhammad Ismail Khan Sahib Bahadur Governor and Admiral on the coast of -- Malabar under Tippu Sultan. Imtiazunnissa Begum, sister of Muhammad Ismail Khan Sahib Bahadur mentioned above, was the wife of -- Muhammad Kasim Sahib Bahadur, the brother of Tippu Sultan. Besides Maboob Begum, wife of Hyder Ali was the sister of the maternal grandmother of Haji Muhammad Hussain Khan Sahib Bahadur. It will thus be seen that the young man for whom exemption from Examination Rules is now sought for is respectably connected. As stated in paragraph 3 of the petition enclosed, Ghulam Muhammad Sahib has studied up to the Matriculation Standard. Copies of the testimonials filed by -- him are enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

HIS EXCELLENCY THE GOVERNOR

In Council Fort Saint George,

MADRAS.

Thro The Collector,

NORTH ARCOT.

*The humble petition of AZIZUNNISA Begum
Widow of late HAJI MOHAMED HUSAIN
KHAN SAHIB, BAHADUR. Political pensioner, 11, Chinna Curumba Street,
VELLORE.*

Most respectfully Sheweth,

THE petitioner's husband Haji Moulvi Mohamed Husain Khan Bahadur was one of the scions of Royal Family of Mysore (Hydrabi and Tippu Sultan) and was the recipient of a political pension of Rs. 520 per annum which though in its nature devolutionary, as per Government Order No. 18 of 1889 political, upon his heir, was on his demise, to her great disappointment discontinued and the heirs including the petitioner were forced to commute it and were made to receive bonuses for it. The petitioners humble protest in this direction that Commutation would not be advantageous to her and her family was unheeded, vide Government Order 172 dated 28th March 1902, political, and bounses sanctioned and paid over to the family vide Government Order 583 political dated 10th November 1902. The petitioner regrets to state that she suffered an enormous loss, in consequence of it, which she thinks should find Compensation in the grant of her prayer.

2. The petitioner's husband's brothers rendered meritorious services to British Government. One of them Gulam Mustafa Sahib served faithfully and with distinction in the Postal department on a salary of Rs. 230 per mensem and died in harness. The testimonial kindly granted to the petitioner's husband by His honor Sir William M. Young C.S.I. Ex. Lt. Governor Punjab, while he was Resident Mysore, would afford a clear inkling of the political and social status of her husband's family which should entitle its members to due recognition at the hands of the benign Government. The petitioner has therefore copied below an extract from the lengthy testimonial referred to above for your excellency's perusal and information.

"I have had a very pleasant time with old Haji Mohamed Hussain Khan who was placed in charge of the tombs of Hyder Ali & Tippu Sultan by Sir Mark Cnbbon and was in charge of them when Lord Dalhousie visited them in 1855. By comparison of Lord Dalhousie's minute with other documents shown me by the Haji among which are some letters of Prince Gulam Mohamed written from England and from Calcutta I find that the "Member of Tippu Sultan's family" to whom Lord Dalhousie alludes was Haji (then moulvi) Mohamed Hussain Prince Gulam Mohamed sent him a gold watch purchased in England, which the Haji unfortunately lost, and seems to have had a great regard for him.

* * * * *

He has nine children and has brought his 3 eldest son to see me.

* * * * *

I wish the old man and his sons well. He has beautiful manners and is an interesting person.

Had I been staying I should have been glad to give him any Assistance in my power". (1)

3. These facts as well as others alluded to before, the petitioner, believes have invested her with an inviolable right to make representation on behalf of her children who belong to an illustrious royal family & should doubtless unfetter the hands of the representatives of the benign British Government in advancing the cause and ameliorating the status of the family which now seems to have lost its enviable prestige owing to the want of high and responsible situations in life, on the part of its members. The petitioner therefore takes the liberty of approaching your Excellency and submits that in spite of the enormous loss referred to in para 1 above, the petitioner was able to educate her sons with the hope that they will be a help to the family. One of her sons by name Gulam Mohamed has studied up to the matriculation standard and possesses a fair knowledge in English and Vernaculars.

4. When the authorities of the North Arcot Dt. forced the petitioner to receive the bonus sanctioned in Government Order referred to above they gave hopes to her personally that the claims of her children for suitable appointments would be considered when they apply. On the strength of that promise and with the fact that her pension was compulsorily commuted your Excellency's petitioner applied to the heads of several departments for a suitable appointment for her son the above Gulam Mohamed Sahib representing all her claims and present state of the family but received no favourable reply on the simple ground that it does not lie in their power to exempt the petitioner's son from the operation of examination rules. The petitioner also learnt that the authorities do not want to take the trouble of moving the Government with the special request on behalf of the petitioner's son and she therefore takes the liberty to approach your Excellency for an exemption order on behalf of her son the said Gulam Mohamed Sahib who is now advanced in age and physically and intellectually fit for appointment. It would not be out of place to mention here that similar patronage has been extended to the members of other respectable families even though of lesser rank.

4. In conclusion the petitioner humbly tenders her apology for this long representation which should inevitably be an intrusion upon your Excellency's precious moments and requests that your Excellency will be pleased to fulfil her ambition and aspiration at an early date so that she may spend the numbered days of her life in peace contentment and happiness.

For which act of kindness and benevolence the petitioner will as in duty bound ever pray.

There do not appear to be any special grounds for granting Exemption beyond the fact that the petitioner's son is a distant connection of Dippu Sultan. The Collector has not made a specific recommendation. Similar requests ^{from members of Sultan's family} were rejected in the order noted in the margin. 2. The file may be passed on to Revenue.
