2. The proposal is a new one, ~~as per the order~~
and it is possible that the D.P.D. may come

The charge is not really new; it
has been met all this time from
contingencies until the Accl. fund
smelt it out.

These pets will probably
give rise to as many problems as
the office cats, but they will give the
school people a new set of notions & are
not likely to be abolished. I think the
charge for them may well be passed.

* It has now been de-
cided to abolish the
system of office cats -
file with draft.
