G.O. No. 410, Educational, dated 5th May 1913.

ABSTRACT.—Sanctioning a grant not exceeding Rs. 4,000 towards the cost of construction of two blocks of dormitory and refectory rooms attached to the Roman Catholic boarding and training school, Trichinopoly.

II

Letter—from the Hon'ble Sir ALFRED BOURNE, D.Sc., F.R.S., K.C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 4th July 1913.

No.—Ref. on Cur. 2935 of 1912.

In G.O. No. 410, Educational, dated 5th May 1913, a grant of Rs. 4,000 was sanctioned towards the cost of construction of two blocks of dormitory and refectory rooms attached to the Roman Catholic boarding and training school, Trichinopoly. The correspondent states that the management have already spent much on the school building without Government aid and that they can therefore contribute only Rupees 1,700 for the proposed hostel buildings. In view of the fact that the school is in an efficient condition and that special treatment is accorded in the case of grants for hostels, I have the honour to suggest that the manager's request may receive favourable consideration and to recommend that the grant of Rs. 4,000 already sanctioned may be increased to Rs. 6,300.

III

Memorandum No. 2118-1, Educational, dated 15th July 1913.

With reference to his letter R.O.C. No. 2935/12, dated 4th July 1913, recommending an enhancement of the grant sanctioned to the Roman Catholic boarding and training school, Trichinopoly, the Director of Public Instruction is requested to obtain from the correspondent a statement of the amounts already spent by the mission on the school without Government aid and a clearer account of the reasons why it can afford to contribute only Rs. 1,700 towards the hostel.

2. It must be clearly understood that special grounds should in each case be shown to justify a departure from the ordinary rate of grant.

Letter—from the Hon'ble Sir ALFRED BOURNE, D.Sc., F.R.S., K.C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 12th August 1913.

No.—R.C. 2935 of 1912.

With reference to your Memorandum No. 2118-1, Educational, dated 15th July 1913, I have the honour to submit herewith the letter No. 45, dated 5th August 1913, of the correspondent, Roman Catholic boarding and training institution, Trichinopoly, with its enclosures.

ENCLOSURES.

(i)

Letter—from Rev. Father A. GORIS, S.J., Correspondent, Roman Catholic Boarding and Training Institution, Trichinopoly.

To—the Director of Public Instruction, Madras.

Dated—the 5th August 1913.

No.—45.

In accordance with the proceedings of the Director of Public Instruction, Ref. on C. No. 2935 of 1912, dated 23rd July 1913, I have the honour to enclose herewith (1) a copy of the financial statements of the past five years concerning the expenses of this school and (2) a statement of the amount spent by the mission on this school without Government aid.

The management, though ready to meet the annually recurring expenses, is, owing to the large amounts spent in the previous years on this institution, as shown in the enclosures, unable to meet this new expense, the more so, as just now the Fort girls' high school, Trichinopoly, which is also under the management of the Bishop of Trichinopoly, has now to be furnished with a school building of Rs. 29,000. In spite of our earnest attempts we have been able to gather only Rs. 1,700 alms for this purpose.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 796, EDUCATIONAL,
DATED 26TH AUGUST 1913.

[SUBJECT.—*Enhancement of the grant sanctioned to the Roman Catholic Boarding and training school, Trichinopoly.*]

From the Director of Public Instruction, dated 4th July 1913, No. 2935/12.

The application of the authorities of the Roman Catholic boarding and training school, Trichinopoly, originally submitted to Government and disposed of in G.O. No. 410, Educational, dated 5th May 1913, is not now with Government. In that application the management should have given an undertaking that it had the necessary funds to complete the work in the event of the Government's sanctioning a grant—please compare clause (b) marked in blue chalk in the application form on page 11 of G.O. No. 370, Educational, dated 1st May 1912. The ground on which an enhancement of the grant is now asked for is not that the school has no funds, but that it has already spent much on the school building without Government aid. How much has been so spent is not stated. Of the two points set down in G.O. No. 448, Educational, dated 15th May 1913, for effective scrutiny, the Director of Public Instruction in his current letter speaks only with regard to clause (b), viz., the efficiency of the institution and not with reference to clause (a), about the ability of the management to contribute the amount originally agreed to. Attention is invited to the portion marked 'M' in the note on page 2 of notes with G.O. No. 448, Educational, dated 15th May 1913. It does not seem to be free from doubt whether the present application is a proper attempt to secure the concession intended for *bona fide* cases where the management is 'unable' to contribute the proportion of the cost fixed in the Code. G.Os. Nos 183, Educational, dated 27th February 1913, 361, Educational, dated 24th April 1913, and No. 606, Educational, 27th June 1913, are instances in which special concessions have been shown, but in all those cases the management was reported to be 'unable' to contribute more than that indicated. In these circumstances it is for consideration whether the additional grant of Rs. 2,300 asked for should be granted.

P.R.—12-7-13.

C. RAMANUJA ACHARI—12-7-13.

Ask Director of Public Instruction to get from the correspondent a statement of the amounts already spent by the mission on the school and a clearer account of the reason why only Rs. 1,700 can be afforded. Say that it is necessary to show special grounds in each case for a departure from the ordinary rate of grant.

[Memorandum No. 2118-1, Educational, dated 15th July 1913.]

From the Director of Public Instruction, dated 12th August 1913, R.C. No. 2935/12.

From the statement on page 6 of current file it appears that the management has been contributing largely from its own funds towards the maintenance of the school and the correspondent says that the management is not in a position to contribute the proportionate amount towards the cost of the proposed dormitory and refectory rooms. Even the Rs. 1,700 which is available is said to have been gathered as alms. The Fort Girls' High school building, Trichinopoly, referred to in the correspondent's letter is estimated to cost Rs. 58,100 and towards its cost the Government have sanctioned a grant of Rs. 29,050. The remainder of the estimated cost has to be found by the management.

2. In the circumstances, it is for consideration whether the amount of the grant sanctioned in G.O. No. 410, Educational, dated 5th May 1913, may be increased from Rs. 4,000 to Rs. 6,300.
