Sir,

I have the honour to request that sanction of Government ^{may be obtained} for the purchase of a "milking booster" for the Electric Plant of this College. Without this the voltages and specific gravities of the various cells vary and the battery is likely to deteriorate. The necessary specification is enclosed. The total cost is Rs. 585/-.

2. There is no provision in the current year's budget estimate for the purchase of this accessory. But if a home indent is sent during the course of the year, the amount may be paid at the beginning of the next official year.

I have the honour to be,

Sir,

your most obedient servant,
