S I R,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment temporarily from 1st August 1913 for a period of two years or until the question of appointing supervising headmistresses which is under my consideration is settled, of an additional peon on Rs 7 per mensem in each of the offices of the seven Sub-Assistant Inspectresses of Girls' Schools.

2. Most of the Sub-Assistant Inspectresses have been complaining for some time past that the work in their offices has of late considerably increased and that the clerks at Headquarters are inconvenienced when the only peon attached to the office goes out in camp with the officer. These offices

are not small like the offices of Sub Assistant Inspectors of boys' schools, but are as big as, if not bigger than, the offices of District Assistant Inspectors, while their jurisdiction extends, except in the case of the Tinnevely Girls' Range, over not less than two revenue districts. The work in these offices is very varied and also heavy and as the bulk of the office work is done at the headquarters, the want of a peon at these stations during the absence of the Sub-Assistant Inspectresses from them on inspection duty is very much felt, as no one can be found to take covers to the post office and bills to the Treasury, to send registered articles such as service books of teachers, to distribute articles of stationery, departmental and account code forms, to rule statements and to do other sundry work.

For the above reasons, I consider the employment of an additional peon in these offices to be necessary.

3. I beg to submit herewith the necessary reappropriation statement for favour of sanction.

I have the honour to be,

Dec No. 35-18, dated 16. 7. 1907.

SUBJECT. of

Employment of a second peon in the
offices of Sub- assistant Inspectresses.

In each of the offices of the Seven
Sub- assistant Inspectresses of Schools
there is at present an establishment
consisting of two clerks on Rs 15 each per
mensem & a peon on Rs 7. The S.P.S. requests
that an additional peon may be sanctioned
for each of these offices. He has explained
~~adequately~~ ^{adequately} the necessity for the employ-
ment of the additional peon. As pointed
out by him, the work of Sub- asst
Inspectresses ~~is not~~ is not
like that of Sub- assistant Inspectors.
While the ~~Sub- assistant Inspectors~~ ^{Sub- assistant Inspectors}
are subordinate to the Assistant
Inspectors, the Sub- assistant Inspectresses
are not so. The whole Presidency
is for the purpose of inspection of
girls' schools divided into ten ranges
and ^{while} three of these ranges are under Asst
Inspectresses the remaining seven
are under Sub- assistants. These latter
therefore

therefore occupy the position of Sub-
assistant Inspectors for boys' schools
doing duty as ~~the~~ Assistant Inspectors.

The proposal of the D.P.S. to treat the
Sub-ass't Inspectresses differently
from ^{the ordinary} Sub-ass't Inspectors in the
matter of office establishment
~~is~~ is therefore not unacceptable.

The Sub-ass'ts for boys' schools doing
duty as Assistant Inspectors are
allowed the same office establish-
ment as other Assistant Inspectors,
and have two peons employed under them.

~~There is no objection to the Sub-~~
assistant Inspectresses ^{also} may be
allowed the same number of peons
~~as the Sub-ass'ts for boys' schools.~~

~~2.~~ The pay proposed for
the additional peon ~~highly~~, is in ac-
cordance with the rate sanctioned
by Govt. for peons in the offices of
Sub-ass't Inspectors for boys. It
may therefore be accepted.

3. A draft order is submitted
for approval. It may be sent
to the Financial Department for
acceptance.

No 1012 16.11.12. (y)

With reference to the Secretary's query
on the previous page it is submitted that the
D.P.I. states in paragraph 2 of his letter that
most of the sub-assistant inspectresses have been
complaining for some time past that the work in
their offices has of late considerably increased.
~~and that it is not~~ It may not be possible for the
clerks in these offices to spare time for doing
peon's work also. There can be no doubt that the
work in the offices of the sub-assistant inspectresses
should be increasing with the development of educa-
tion. The average number of schools under the
charge of each of these officers, which was 84 in
1906-07, rose to 103 in 1911-12 and should have
increased further in 1912-13 and the current
year.

2. The present sub-assistant inspectors
including sub-assistant inspectresses were before
1887 designated 'Deputy Inspectors'. From the
year 1871 each of these officers has been allowed
only one peon.

3. With regard to 'supervising headmistresses'
the D.P.I. referred to his idea of proposing the
appointment of such officers in connection with
the three years' programme of educational ex-
penditure furnished to the Government of India
in G.O., No. 1012 Edl., dated 16th November 1912.
No mention has been made of this in any subse-
quent correspondence, nor is this one of the --
objects proposed for the utilization of the --
Imperial grant of 23 lakhs. It is not there-
fore possible to say whether, and if so when the
scheme of appointing supervising headmistresses
will be sanctioned. As the question is mixed
up with a number of others, especially with the

provincialization

provincialization of all secondary schools under local bodies, it is not likely that the whole scheme will come into force early.

It is proposed to sanction a second person Rs 7 p.m. for each of the seven pieces of Sub-Assistant Inspectresses of girls' school temporarily for a period of 2 years or until the question of appointing supervising head-mistresses is settled whichever is earlier. The reasons adduced are that, during the absence on tour of the Sub-Asst. Inspectress when the single person is taken away, inconvenience is caused at headquarters and that it is felt more was owing to increase of work.

2. The proposal involves an extra expenditure of Rs 176 for the period of 2 years.
