G.O. No. 82, Educational, dated 1st February 1912.

ABSTRACT.—Approving the proposals of the Director of Public Instruction that one-half of the cost of providing conveyances for the pupils attending the Government Muhammadan Girls' school, Mylapore, should be paid from Provincial funds.

II

Letter—from the Hon'ble Sir ALFRED BOURNE, D.Sc., F.R.S., K.C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—the 6th August 1913.

No.—Ref. on Cur. 3433.

There is a provision of Rs. 1,260 under contingencies of the Government Hobart Training School for Mistresses, Madras, for conveyance charges. With the amount seven carts are engaged at Rs. 15 *per mensem* for conveying gosha pupils to and from the school. This provision has been in existence for a large number of years. Again, in G.O. No. 82, Educational, dated 1st February 1912, Government approved the Director's proposal that one-half of the cost of providing conveyances for the pupils attending the Government Muhammadan Girls' school, Mylapore, subject to a maximum of Rs. 22-8-0 *per mensem*, should be paid from Provincial funds. In this case also the rate for each cart is Rs. 15 and the Provincial contribution has been limited to Rs. 22-8-0 which is one-half of Rs. 45, the amount required for three carts at Rs. 15 per cart. The headmistresses of both the schools have for some time past been complaining that it has become impossible to secure carts for hire at Rs. 15 *per mensem*. The Inspectress of Girls' Schools, Central Circle, recommends that the rate may be raised to Rs. 20 at least and in view of all the circumstances I support her recommendation and submit herewith a re-appropriation statement to cover the extra charges from 1st July of the current year for favour of sanction.

2. In this connection I may observe that the cart system of conveyance is unsatisfactory inasmuch as some girls may have to spend hours in the carts as a single round is a slow business and much time is spent in picking up and dropping girls at their various homes. I am giving my attention to the matter and shall, if possible, propose more satisfactory and not more expensive arrangements.

2. The proposed re-appropriation requires the sanction of Government in the Financial Department.

NOTES CONNECTED WITH G.O. No. 842, EDUCATIONAL,
DATED 12TH SEPTEMBER 1913.

[SUBJECT.—*Increased provision for the conveyance of pupils attending the Hobart Training School for Mistresses and the Government Muhammadan Girls' school, Mylapore*].

From the Director of Public Instruction, dated 6th August 1913, No. 3433.

In the circumstances stated by the Director of Public Instruction it is submitted that the limit of an expenditure of Rs. 22-8-0 per mensem laid down in G.O. No. 82, Educational, dated 1st February 1912, may be raised to Rs. 30 so as to represent half the charge of three carts at Rs. 20 per cart for conveying pupils to the Government Muhammadan Girls' school, Mylapore. The Director's statement that it is difficult to secure carts at the rate of Rs. 15 per mensem seems to be correct. Though the carriage will be needed only at the hours of assembling and dispensing of the school, it practically amounts to the engaging of a carriage for a full day and at the prevailing rate for *jalkas* at Madras, the rate of Rs. 15 seems low. The entire cost of conveyance in the case of the Government Hobart Training School for Mistresses is being met by Government and no maximum limit has been fixed by Government. If approved the reappropriation statement submitted by the Director

Paragraph 3 of office-note on page 1 of notes to G.O. No. 849, Educational, dated 2nd December 1911.

may be forwarded to Financial for sanction.

C. RAMANUJA CHARI—29-8-13.

Carts, and not *jalkas*, seem to be used. Is there any rate laid down under the Hackney Carriage Act for daily hire of carts in Madras City?

W. FRANCIS—29-8-13.

Please see the table of fares attached to the by-laws under the Hackney Carriage Act on page 3 of the supplement to Part II of the *Fort St. George Gazette*, dated 18th March 1913. The fare for a cart drawn by a single bullock is Rs. 1-8-0 for a full day (12 hours) and As. 12 for a half day (6 hours). Assuming that school hours last from 10 A.M. to 4 P.M. and that one hour before and after the

(It is presumed that the carts will be needed during the recess for taking children to their houses for tiffin and that the carts will therefore be needed for the full working hours.

school hours is needed, the cart will be required for nearly 8 hours. A fare of rupee one per day will not therefore be unreasonable. Engaged by the month Rs. 20 does not seem an unfair rate especially as there will be on an average at least twenty-one working days a month.

C. RAMANUJA CHARI—2-9-13.

The proposed increase seems unavoidable.

2. The case may be returned to the Educational Department. On receipt of the Cf. G.O. No. 82, Educational, dated 1st December 1912. proceedings of that department sanctioning the proposal, the reappropriation of
