[Despatch Abstract.]

Schroder Mr E. Regarding letter from Government of India re concerning — beaumont, unpaid board high school, behaviour for employment in the Madras Presidency—

No. 1542

Government of India,
DEPARTMENT OF EDUCATION.
(Education)

From Simla, the 21st August 1913.

The Hon'ble Mr. H. Sharp, C.I.E.,
Joint Secretary to the Government of India.

To
The Secretary to the Government of Madras,
Educational Department.

Dated the 16th of July 1913.

Sir,

Sir, - I am directed to forward a copy of the marginally noted papers with a view to bringing the name of Mr. E. Schröder, Headmaster, Municipal Board High School, Peshawar, to the notice of the Government of Madras.

Letter from the Hon'ble the Chief Commissioner, N.W.F. Province, No. 43, dated the 16th July 1913.

Petition from Mr. E. Schröder, Headmaster, Municipal Board High School Peshawar, dated the 14th June 1913.

2. It will be observed that Mr. Schröder, who will shortly be relieved of his duties through no fault of his own, is anxious to find similar employment elsewhere. His present pay appears to be Rs. 300/- a month, of sufficient size to justify the employment of a man of his qualifications.

3. The Government of India would be glad to see Mr. Schröder provided with suitable employment. I am to request that should the Governor in Council desire to secure Mr. Schröder's services for any existing or impending vacancy in the Education Department of the Madras Presidency Mr. Schröder may be addressed direct in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Your most obedient servant,
G. Bose-Koppel

Joint Secretary to the Government of India.

From

The Hon'ble Lieut-Colonel Sir George Roos-Keppel, K.C.S.I.,
K.C.I.E.,

To
Chief Commissioner, North-West Frontier Province.
The Secretary to the Government of India,
Education Department.

Simla,

Dated the 16th of July 1913.

Sir,

I have the honour to forward for consideration a petition from Mr. E. Schroder, Head Master, Municipal Board High School, Peshawar, who will shortly be dispossessed of his present appointment by the provincialisation of the school, which entails his replacement by a member of the Indian Educational Service.

2. Mr. Schroder's is certainly a hard case, he has worked well and is being discharged through no fault of his own. Were it possible to give him any other post in the North-West Frontier Province I would gladly do so but the Peshawar Board High School is the only one of sufficient size to justify the employment of a European Head Master. I hope that it may be found possible to obtain for Mr. Schroder employment in some other province or if this is not possible Mr. Schroder informs me in a private letter that he would be glad to take employment under the Archaeological Department as he has taken an interest in Archaeology and has studied it to some extent.

I have the honour to be,

Sir,

Your most obedient servant,

G. Roos-Keppel.

The humble petition of E. Schroder, Head Master, Municipal Board High School, Peshawar.

To
The Hon'ble Sir George Roos-Keppl, K.C.S.I., K.C.I.E.,
Chief Commissioner, North-West Frontier Province.
Through
The Deputy Commissioner, Peshawar.

Peshawar, 14.6.1913.

Sir,

The Director of Public Instruction has informed me that under the provincialisation scheme I shall be displaced by a member of the Indian Educational Service in the post of Head Master of the Municipal Board High School, Peshawar.

As I was appointed to the headmastership on the distinct understanding that my service could be terminated by one month's notice on either side, it is evident that I have no legal claim whatsoever either on the Municipal Committee of Peshawar or on the Government.

I would however most humbly and respectfully submit that I have a strong moral claim on the generosity of Government and therefore crave permission to approach you with this respectful petition for a reconsideration of my case.

When I was selected by the Hon'ble Major D. B. Blakeway, C.I.E., (then President of the Municipality) for my post from a number of candidates, it was on the merits of my previous record and the strong recommendation of Mr. M. Crosse, M.A., I.E.S., Inspector of Schools, Lahore Division.

I resigned the post I then held and which I had held for close on seven years, for the sake of the better salary offered in Peshawar.

Notwithstanding the condition of one month's notice, I had naturally, considering my previous record, every expectation that I should be retained until such time as I should prove inefficient. No suggestion has been made, nor, I think, would be made that I have up to this proved inefficient. No part of my work has ever been unfavourably commented upon. On the contrary, I have received praise and congratulations on my success repeatedly from the officers who have acted as Presidents and Vice-Presidents of the Peshawar Municipality. Complimentary remarks from Mr. A. H. Grant, C.I.E., Major W. J. Keen, Mr. N. H. Bolton, Capt. Bruce, Capt. Griffith, Capt. Wilson, and perhaps other officers are enshrined in the files of the Municipal Office.

Nor do I think that any of the Indian members of the Municipal Committee would express dissatisfaction with my work especially at the present moment when the school has secured an exceptionally favourable result at the Matriculation Examination.

Nor have the remarks made on my work by the officers of the Education Department been different. The reports of Khalifa Imad-ud-Din, late acting Inspector-General of Education, and of Mr. J. A. Richey, Director of Public Instruction, are contained in the Log-Book of the

school and are exceptionally favourable.

You yourself, Sir, on the occasion of the Prize-Distribution of 1912, did me the honour of publicly complimenting me on the attainments and the bearing of the boys under my charge.

As it has ~~never~~ never been my habit to sound my own praises, I mention the above facts with great reluctance. I do so simply in the interests of my family, who are left unprovided for, and because I am afraid there is no one to do it for me.

It is necessary for me also to mention my own private circumstances. My wife has been an invalid for about 12 years, frequently requiring expensive medical attendance and medicines, a fact which can be vouched for by Dr. A. Lancaster, C.M.S., Peshawar.
I have three children, all girls, aged 13, 10 and 6 respectively.

Head Master,
M.B. High School, Peshawar.
