Dear Sir,

Recd. 29.9.13

We wish to make use of your valuable publication for an encyclopedia in Telugu. We request that you may be kind enough to permit us to translate passages from your work here and there, as also to copy a few illustrations now and then which of course will be thankfully acknowledged. Ours being a publication in one of the Indian Vernaculars we are sure that your interests will in no way be affected. On the other hand it is very likely that your work will be better known. Hoping to be favoured with an early reply.
