From (Name) C.B. Cotterell Esq., I.C.S.,

(Designation) Private Secretary to His Excellency
the Governor.

To The Secretary to the Government of Madras,
Legislative Department.

Sr,

I am desired to transfer to you for disposal
by the Government the enclosed petition, dated the 1st
September 1913, from one A. Sararinathan, B.A., Trichi-
nopoly.

I have the honour to be,

Sir,

Your most obedient servant,

Blair

Private Secretary.

1st September 1915.

To

The Chancellor of the
University of Madras.

The humble petition of Mr. A. Saranathan, B.A.,
St. Joseph's College, Trichinopoly, respectfully sheweth:-

1. That your Excellency's Petitioner has passed in English and Branch VI (Latin and French), the B.A. Degree Examination held in April last under the new Regulations of the University of Madras.
2. That your Excellency's Petitioner should like to read for B.A. Honours in Branch VI but he is sorry that there is no college in the Madras Presidency affiliated in Branch VI Honours Course to enable him to continue his studies.
3. That your Excellency's Petitioner, through the Principal of St. Joseph's College, Trichinopoly, sent an application on 19th July last to the Registrar, asking him to place his case before the Syndicate for consideration, in the hope that your Excellency's Petitioner might be allowed to read for Honours privately and appear for the Honours Examination in April 1915.
4. That your Excellency's Petitioner received on 18th August a reply from the Syndicate through the Registrar, to

the effect that the request for private study could not be granted (a true copy of the reply is herewith attached).

5. That your Excellency's Petitioner considers the reply of the Syndicate rather disappointing and too summarily given. The Syndicate has long ago notified in the Fort. St. George Gazette that the University of Madras is in a position to impart instruction in Branch VI Honours Course. And besides, the Syndicate has drawn up the syllabus of studies for Branch VI (Honours) and even published text books for Latin.

6. That your Excellency's Petitioner tempted by the advanced course of studies drawn up by the Syndicate, was encouraged for various reasons needless to be mentioned, to choose at an early stage, linguistic studies in preference to other branches of knowledge.

7. That your Excellency's Petitioner succeeded in realising the B.A. Degree Examination but is not given facilities for further courses of studies. If no College has been affiliated to the University of Madras in Branch VI (Honours), the Syndicate should have notified in the Gazette and in due time that there was no scope for advanced courses in classical studies in the Madras Presidency or should at least allow private study to a student who has done well in the B.A. degree Examination and wants to appear for the Honours Examination.

8. That your Excellency's Petitioner is in a sad predicament and regrets that his ambitious desires for Honours are not to be realised and his high hopes have been shattered.

9. That your Excellency's Petitioner appeals to your
