To

HIS MOST GRACIOUS EXCELLENCY
The Governor of Madras in council,
Fort Saint George.

The humblest memorial of V. Muthirulandi Pillay,
Late Manager Elementary School,

South Masi Street,
MADURA.

The humble memorialist most humbly begs to bring to the following few lines to your Excellency's kind consideration and favourable orders.

His school was in progress for the last 23 years and ever since he was abiding by the rules and instructions of the Educational department, and the director of Public Instruction was also pleased to grant him the certificate No. 3756 Date, 27—11—1912 about his fitness to teach up to the 2nd Standard. Inspecting officers report book was also maintained in his school up-to-date. When the Sub Assistant Inspector of Schools, Madura Range Conducted on 9—11—1912, the annual Examination of the school for 1912, stated in the school Inspection report book that only 5/6 of the grant will be recommended for the year and that no grant will be recommended for the next year if better progress was not shown.

The memorialist most humbly begs to submit that he accordingly put in his full exertion and brought the school to a fairer condition and better progress in every respect.

Suddenly and unexpectedly, in his Dis No. 747/12 Date 23—12—12, the Sub Assistant Inspector of Schools, Madura Range, communicated to the memorialist the order Dis 550/12 of the Assistant Inspector of Schools Madura, District that the recognition of the school was with drawn. The humble memorio-list is not able to understand the reason for such a communication especially at a time when the school was in comparatively better progress.

The humble memorialist begs to state that, in the interest of public education he had incurred a great loss in his institution. Since the majority of his pupils were of poorer classes.

Thereupon the humble memorialist appealed to the Inspector of Schools and to Director of Public Instruction praying for granting recognition and for passing the grant for 1912, as recommended by the Sub Assistant Inspector of Schools in the Inspection book. The educational authorities were not pleased to grant two prayers of the poor memorialist. Their orders I have herein enclosed for your excellency's kind perusal.

The memorialist further begs to state that he is very poor and has incurred a heavy loss in establishment charges in maintaining the Institution.

Under the above circumstances the poor memorialist most humbly appeals to your Excellency's mercy to consider the above facts, to pass orders on the Educational authorities to grant recognition to the school and to pass his grant for 1912, and thus render justice to the poor memorialist. For this act of charity the poor memorialist, as in duty bound, shall ever pray long life, property and happiness to your excellency.

The memorialist most humbly
begs to remain

Your most gracious Excellency

Your Excellency's most obedient,

And loyal Subject.

HONOURED SIR,

I beg to bring the following to your honour's kind consideration and favour of orders:—

My School is in progress for the last about 23 years and ever since I have been abiding by the orders and instructions of our educational department and your honour has also granted me the certificate No. 3756 dated 27—11—13 of my fitness to teach upto the 2nd standard. Inspecting Officers report book is also maintained in my School up to date. When the Sub Asaistant Inspector of Schools Madura Range conducted on 9—11—12 the annual examination of the School for 1912 stated in the school Inspection report book that only 5th of the grant will be recommended for the year and that no grant will be recommended for the next year if better progress is not shown.

Now I beg to submit that I have accordingly put in my full exertions and brought the school to a fair condition and better progress in every respects. A personal inspection may also convince the above fact. In his Dis No. 747/12 dated 23—12—12 Sub Assistant Inspector of Schools Madura range has communicated to me the Dis No. 550/12 of Assistant Inspector of Schools Madura District that the recognition of the School is with-drawn. I am not able to understand the reason for such a communication especially at a time when my school has attained a better progress comparatively.

I further beg to bring to your kind notice the fact that in the interest of public education I have incurred a great loss in my institution since the majority of my pupils are of poorer classes.

Under the above circumstances I beg that your honour will be kindly pleased to consider the above facts and circumstances and to recognize my institution under your honour's kind patronage and to pass my grant for the year 1912.

I beg to remain

HONOURED SIR

Your Most Obedient humble Servant,

From (Name) The Hon'ble Sir Alfred Gibbs Bourne, D.Sc.,

(Designation) Director of Public Instruction, MADRAS.

To the Secretary to the Government of Madras,
Educational-Local and Municipal Department.

Sir,

I have the honour to resubmit herewith Government endorsement No. 2215-1, dated 21st July 1913, referring for remarks a memorial from V. Muthirulandi Pillai, late Manager, Elementary School, South Masi Street, Madura, dated 7th July 1913, praying for the payment of teaching grant to his school for 1912-13 and to state as follows.

2. The complaint of the memorialist that the Sub Assistant Inspector, Madura, "suddenly and unexpectedly" communicated an order from the Assistant Inspector is not correct.

The recognition granted to the school was withdrawn by

14997 CF

12/5/13

the Inspector, and in doing so, he was guided by the unfavourable reports of the Sub Assistant Inspector and the Assistant Inspector on the school, both of whom had seen the school in its ordinary working state.

3. The Inspector reports that a reduction of 25 per cent. of the grant was recommended by the Sub Assistant Inspector. The complaint of the memorialist about 5/6th grant is, therefore, at best inaccurate. The Inspector further reports that the memorialist has given up the profession of teaching and has taken to the manufacture of tooth powder. The school is not now in existence and no further trial can be given to it by granting temporary recognition and aid. It may be pointed out that even if the memorialist's statement of the entry in the Inspection book were correct, it would be merely a statement of what the Sub Assistant Inspector recommended and would not debar the Inspector from taking more serious measures against the school if he found it necessary to do so.

4. The Inspector also reports that the children who were attending the school have lost nothing as there are abundant facilities for Elementary Education in the vicinity.

5. Under these circumstances, the memorialist may be informed that his request for payment of teaching grant for 1912-13 is inadmissible.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Arne.
