SIR,

page 5 infra
I have the honour to state that the keeper of the British Museum, London, complains, in his letter No.560/13, dated 26th August 1913 (copy herewith enclosed), that copies of the Catalogue of Books registered in the First Quarter of 1913 have not been yet received by him. The Catalogue under reference was published as a Supplement to Part I B of the Fort St, George Gazette, dated 29th April 1913. I request that you will be pleased to look into the matter and see that the required number of copies of that Catalogue are sent to the British Museum.

2. I have also to state that the marked copy of this same Catalogue noted above has not been as yet received here from the India Office, London; and it seems therefore doubtful whether copies thereof have been sent to the Librarian of the India Office.

3. As according to section 9 (b) of Act XXV of 1867, requisitions for extra copies of books in behalf of the London libraries have to be made within one calendar year from the date on which any such book is first delivered out of the press and as it is certain to take sometime for the receipt of marked
copies

4
copies of this Catalogue from London indicating the requisitions,
I request that the matter may be treated as very urgent.

I have the honour to be,

Your most obedient servant,
