To the Secretary to the Government of Madras,
Educational
Local and Municipal Department.

Sir,

With reference to the enclosed Communication which the Surgeon-General with the Government of Madras submits to Government through me, I have the honour to submit that the special examination in Practical Dispensing (for Compounders) - one of the subjects of the April

Technical

Technical Examinations, may be held in the first week of December next. The examination is not written and, accordingly, need not be held simultaneously at all centres; the examiners at the different centres may not find it convenient to conduct the examination (which is of a practical character) on one and the same day. The "first week of December" has accordingly been suggested instead of a particular day.

I have the honour to be,
Sir,

Your most obedient servant,

C. W. Madhavan
for Commissioner.

(THROUGH THE COMMISSIONER FOR GOVERNMENT EXAMINATIONS,
MADRAS.)

Sir,

With reference to paragraph 4 of my letter No. 590/473 dated 4th June 1913 disposed of by G.O. No. 1055 L., dated 23rd June 1913, I have the honour to inform Government that 12 out of the 20 candidates have passed the examination in Practical Dispensing held in May last. I understand from the Districts that about 120 candidates will be willing to appear for an examination in Practical Dispensing if one is held as soon as possible. As under recent orders the

passing

passing of the examination is a sine qua non for admission
to Government, Local Fund or Municipal service as compounder
it is desirable that a large number of qualified men are made
available without delay. I therefore trust that Government
will see their way to sanction the holding of a special exami-
-nation in the subject on or about the 1st December 1913.

I have the honour to be,

Sir,

Your most obedient servant,

M. S. I. M. D., D. Sc.,
