For orders as to whether copies of the
report may be distributed according to the list
approved by the Secretary on pages 2 and 3 supra.

From the letter received from the Government
of India calling for the opinion of this Govern-
ment on the suggestions of the Committee, there
is no indication that the report should be distri-
buted to the Press. The only reference to this
question is in the telegram from 'India' dated 3rd
September 1913, in which enquiry was made as to how
many copies were required for "distribution to news-
papers."

2. The Government of India have sent, in ad-
dition to the 45 copies required by this Govern-
ment, 38 spare copies of the report. These are not
required. It is for consideration whether the
surplus ^{copies} may not be returned to the Government of

India.
