To the Secretary to the Government of Madras,
Educational ~~Local and Municipal~~ Department.

S i r,

I have the honour to inform you that, at the
request of His Excellency the Governor, I made enquiries
regarding the condition of the school for the children
of His Excellency's Body Guard. Finding it to be unsatis-
factory, the Inspector of Schools, 4th Circle, at my request
suggested to the Commandant, the desirability of dispensing
with the services of the school master who was found unfit
for his work, of employing a new teacher on an increased
salary, and of opening a new school for the children of the
followers under a second teacher. The Commandant approved of
these suggestions but stated that he had no funds to meet
the additional expenditure involved since the pay and
allowances for the school and school master of the Body

Guard were laid down in Army Regulation India Volume I and were not likely to be increased by the Imperial Government. I thereupon decided to sanction a teaching grant from Provincial funds for the school under Chapter VI of the Grant-in-aid Code sufficient to cover the additional amount required. The proposals referred to above were accordingly given effect to from the 16th July 1913, the previous teacher being replaced by two new teachers one on Rs.20-1-25 and the other on Rs.10-1-15 and a teaching grant of Rs.120 was sanctioned. The Deputy Controller of Military Accounts in Independent charge 9th Division in his letter No. ~~PA~~^{PA}/3415, dated 18th September 1913 (Copy enclosed) says that the new arrangement under which the cost of the school is proposed to be borne ^{partly} by the Civil and partly by the Military Department cannot be brought into effect without the sanction of ^{the} Government of India. I have therefore the honour to request that you will be so good as to obtain the necessary sanction.

I have the honour to be,

Your most obedient servant,

Letter from the officiating Deputy Controller of
Military Accounts in Independent Charge, 9th Division,
to the Director of Public Instruction, No. P/3415, dated
18th September 1913.

With reference to your letter No. 7066 of 6th August
1913, I have the honour to state that no separate school *has*
hitherto existed for the children of the Body Guard of
His Excellency the Governor of Madras. I have ascertained
that the school, the improvement of which has recently been
undertaken by your department, was attended by both the men
of the unit and their children. As will be seen from para
6 of letter No. 485 M, dated 2nd December 1912 from the
Inspector of Schools, 4th Circle, Madras, to your address
a copy of which was forwarded to me for information by the
Commandant of the Body Guard, a school master (a pension-
able civilian) on a salary of Rs.15 per mensem and an
annual allowance of Rs.57 (not Rs.55) are authorized for
this school and this expenditure is met from the Military
estimates.

2. According to the recent arrangement made under your
orders, the schoolmaster hitherto employed has been dis-
charged from the service, two new teachers have been
entertained and the cost is proposed to be borne partly
by the Civil and partly by the Military Department.

3. As already stated in my letter No. P/2346, dated
23rd July 1913, I do not consider that the arrangement
can be brought into effect without the sanction of the
Government of India which I request may kindly be applied
for as early as possible through this office.

for sometime in an unsatisfactory condition and the schoolmaster employed in it

was unfit for his work. At the instance of His Excellency the Governor

its improvement was undertaken by the Educational Department, which suggested

to the Commandant of the Body Guard the desirability of replacing the ^{existing} school-

master by a new teacher on an increased ^{Salary} pay and of opening a new school for the

children of the followers under an addi-

tional teacher. ⁽³⁾ The Commandant, ^{though} while

approving of these suggestions, ^{declared} ~~stated~~

India, Volume I, Articles 895 and 967.
