I have the honour to submit an application for grant for the purchase of a building for the use of the Deaf and Dumb school, Madras. The building referred to is in San Thomé High Road, Mylapore, and it was lately in the occupation of St. Bede's European High school. NOTES CONNECTED WITH G.O. No. 14, EDUCATIONAL,
DATED THE 6TH JANUARY 1915.

[SUBJECT.—*Grant for the purchase of a building for the use of the Deaf and Dumb School, Madras.*]

From the Director of Public Instruction, dated the 23rd October 1914, No. 1989.

The Deaf and Dumb school established in Madras in January 1913 is a Mission institution. It is at present located in a rented building in Vepery. The present strength of the school is only 22, but it is stated that several others are awaiting admission. The management propose to purchase the building lately occupied by the St. Bede's European High school on the San Thome High Road, Mylapore, for its permanent location. The present application is for a grant for the purchase of the building. The property has been offered for Rs. 40,000. The Executive Engineer values the site at Rs. 23,700 and the buildings at Rs. 22,040 or Rs. 45,740 in all. The Director of Public Instruction recommends a half grant not exceeding Rs. 20,000 subject to the conditions mentioned in the concluding portion of his letter.

2. There seems to be no objection to the grant recommended being sanctioned at once. The building, which it is proposed to purchase, is apparently to be utilized both for boarding and school purposes. The building having been till lately used for the St. Bede's school, it is unnecessary to consult the Public Works Department as to its suitability for school purposes. The value of the site has not been verified by the Revenue authorities, and the Executive Engineer states that his valuation is subject to such verification. It is submitted that this may also be made a condition in sanctioning the grant recommended by the Director of Public Instruction.

3. A draft order is submitted for approval.

[Memorandum No. 3269-1, Educational, dated 7th November 1914.]

From the Director of Public Instruction, dated the 24th December 1914, No. 1989.

The Collector of Madras values the site at Rs. 38,778 as against Rs. 23,700 estimated by the Executive Engineer. The total value of the buildings and site is thus Rs. 60,818. The Director of Public Instruction's recommendation to give a half-grant not exceeding Rs. 20,000 is unobjectionable, and the draft order as now revised is submitted for approval.
