In submitting herewith an application from V. Anandan nair the accountant of this office for re-consideration of the Government order no. 1317 dated 20th November 1914 that Sd/- Govt. the Government see no sufficient reason to permit him to appear for the Account Test and the Translation Test. Lower Grade, I have the honor to state as follows:—

follows:—

V. J. Anandam nair has been the accountant of this office for ten years during which period his work has been very satisfactory to all the superiors under whom he served as will be evident from the testimonials already submitted along with his application. He being fully conversant with the account work aspires to secure the place of the Head accountant elsewhere if not in this municipality for which the above tests are compulsory under article 24 A of the Municipal account code. I have the honor further to point out that the permanent manager of this office who is now on leave not having passed the above tests is not qualified under the code and during his absence on leave the late chairman was compelled to bring in the Acting incumbent from the Sanitary Department as there was no other qualified hands in the service to fill the vacancy. The acting manager ^{is} decidedly competent for the managership but it is doubtful whether he will stick on as his present pay cannot be expected to be attractive to him as he

will not be more pecuniarily benefited by the present arrangement. So the applicant hopes to rise higher in the service if he be allowed to qualify himself. Under the circumstances I have the honor to request You will be so good as to reconsider the order referred to above and allow him two years' time to pass the above tests.

I have the honor to be,

Sir,

Your most obedient servant.

W. Ramamurthy
Vice-Chairman.

Cannanore,
24th November 1914.

The Chairman,
Municipal Council,
CANNANORE.

Sir,

As I understand that the Government have not been pleased to accord sanction to me to appear for the Account and Translation Tests as represented by the Chairman, for want of sufficient reasons, which have not been stated in the letter already addressed to the Government, I beg most respectfully to bring the following additional grounds to your kind notice and to request that you will be pleased to move the Government once more for reconsideration of their order.

1. The qualification required for the post of a Municipal Manager, whose maximum pay exceeds Rs.50/- per mensem are Account and Translation Tests. The permanent Manager of this Municipality has not passed these tests and there is difficulty felt in procuring duly qualified hands. Considering that the permanent Manager of this Municipality has not qualified himself in the above examinations, it will be highly advantageous to this Municipality to have its experienced and competent Accountant duly qualified in the said examinations.

2. My object in making this request is to obtain the Managership of this office when it falls permanently vacant. Owing to the difficulties to fill up the acting vacancies of the Manager very recently when the permanent incumbent went on leave, it was found necessary to appoint Sanitary Inspector, who had passed Account and Translation tests. Had I been fortunate in securing success in those tests, I would have been promoted to act as Manager as I had sufficient experience of Office work, to which my testimonials already submitted will bear witness to.

Please see Chairman's letter
on pp 1-3 in G.O. 17957 (H)
18-9-14

3. As Municipal Service is not pensionable and as the number of clerks and their prospects are very much limited, the appointments in this Municipality do not attract duly qualified, experienced and competent hands.

4. The Accountant's maximum pay is Rs.30/- and the Accountant is next in rank to the Manager, to which post alone the Accountant can be promoted. Unless I am permitted to appear for the Account and Translation tests my future prospects will be blocked up and I will have no chance elsewhere of getting the Head Accountant's place, for which post also the qualifications referred to above are required if the maximum pay exceeds Rs.50/-^(maximum) per mensem. Although my salary is only Rs.30/- I am doing the duties of an Head Accountant also in this Municipality.

5. In these circumstances and considering also my long experience and efficiency in the office work, I beg to request that you will be graciously pleased to move the Government to permit me as a special case to appear for the Account and Translation tests at least for a period of two years so that I may stick on to Municipal service in the interest of the Municipality and also for my future prospects.

I beg to remain,

Sir,

Your most obedient servant.

OFFICE NOTE.

SUBJECT. Requesting to reconsider ^{the} orders passed in G.O. No 1317 & 20.11.14 declining to permit Anantan Nayar, accountant, municipal office, Cannanore, to appear for special tests.

From the C. M. C. Cannanore, R.O. No 2967 dated 28.11.14

Register No. 6988 dl

In G.O. No 1317 Educational dated 20.11.14 the Govt. declined to permit Mr. Anantan Nayar, Accountant of the municipal office, Cannanore, to appear for the Account test and Translation test lower grade, on the ground that the recommendation appeared to have been made more in personal interest than in the interests of the administration of the municipality. Anantan Nayar now requests that the above order may be reconsidered for the reasons stated in his petition on pages 4 & 5 cf. The Chairman states that the applicant aspires to the post of ~~the~~ head-accountant elsewhere if not in this municipality and points out that owing to the difficulty of securing a qualified hand a Sanitary Inspector had to be appointed as manager of the office during the absence of the permanent incumbent on leave for six months, that this acting manager is not likely to stick to the post and that therefore the accountant, if exempted, may qualify for that post. The Collector

is however unable to support the proposal which is not in the public interest. It does not also seem that any new arguments have now been adduced to justify a reconsideration of the previous order. Orders are solicited.

A draft order declining the permission applied for is submitted for approval. Attention is, however, solicited to the Secretary's remarks on page 6 of G.O. 1259 of 10.11.14. As in that case, the applicant only wants leave to appear for the exam. If he qualifies, it should increase his usefulness.

I feel that Mr. (L.D.)
 should on this and say what
 his wishes are. This matter
 for consideration whether, in a case
 like this, have the passing of
 a higher examination would
 probably increase the class's
 usefulness, the permission may not
 be given with advantage to the
 public interest.

A. D. (L.D.)

The chairman's letter puts the matter on
 more personal grounds. The question is not
 satisfied that the exemption is required in
 the public interest. There is nothing to
 show that if this petition is not up to
 the mark or is not up, there will not
 be other qualified candidates. Public
 interests can not suffer unless there is
 a shortage of qualified candidates. no
 reason to consider the order.
