READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department (through the Accountant-General, Madras).
Dated—Madras, the 10th November 1914.
No.—Ref. on Cur. 6239.

I have the honour to request that you will be so good as to obtain the sanction of Government for the opening with effect from 1st March next of a Government elementary school for boys at Sitampeta in the Gōdāvari agency and for the employment therein from the same date of a teacher on Rs. 15 per mensem.

2. The Government Agent, Gōdāvari, from whom the above proposal has emanated, states that Sitampeta is a village in the Bhadrachalam taluk with a population of 258, of whom 125 are males, that there are at present 40 children ready to receive instruction and that the villagers who have undertaken to provide a building for the school in the event of its being opened have no objection to the admission into it of malas and madigas. The inspecting officers whom I have consulted support the proposal on the ground that out of the school-going population of 69 pupils in the village, 34 are likely to attend school and that seven more pupils from the adjoining village of Chintalagudem are also expected to join it.

3. The expenditure involved by the proposal will be Rs. 180 per annum, and I beg to request that provision may be made for this as well as for the contingent charges noted below in the civil budget estimates for 1915-16 now under the consideration of Government. The contingent charges needed for the school will be a small sum of Rs. 7 per annum as detailed below which will be sanctioned by the Director on receipt of orders on this letter.

2. There is no audit objection to the proposal of the Director of Public Instruction for opening an elementary school for boys at Sitampeta being sanctioned by Government.

3. If the proposal is sanctioned, necessary provision of funds should be made in the budget estimates for 1915-16 now under the consideration of Government.

NOTES CONNECTED WITH G.O. No. 28, EDUCATIONAL,
DATED 9TH JANUARY 1915.

[SUBJECT.—Opening of a Government elementary school for boys at
Sitampeta in the Gōdāvari Agency.]

From the Director of Public Instruction, R.O.C. No. 6239, dated
10th November 1914.

The Director of Public Instruction's proposal may, it is submitted, be accepted. The pay proposed for the teacher, viz., Rs. 15, is the same as that allowed to similar teachers in the Agency if trained. It may, however, be specified that if the teacher is untrained he will draw only Rs. 10 per mensem—please compare G.O. No. 675, Educational, dated the 6th June 1914.

2. A draft order is submitted for approval. It may be sent to the Judicial and Financial Departments for acceptance. The latter department may be requested to make the necessary provision in the next year's budget which is now with them.

Do teachers in Gōdāvari Agency generally get higher rates than in Vizagapatam* and Ganjām†: there the rates are Rs. 10 and Rs. 12. Rupees 15 is given to headmasters in fairly large schools.

All teachers in Nugur taluk get Rs. 15 per mensem if they are trained men. The same rate of pay seems to prevail in other parts of the Gōdāvari Agency as well.

The proposal is to open an elementary school for boys at Sitampeta in the Gōdāvari Agency at an annual cost * of Rs. 180 †. As the establishment of the school does not appear to be urgent it is for consideration whether the opening of it may not be postponed till the present crisis is over.

† Exclusive of Rs. 7 per annum on account of "Contingencies".

2. If, however, in view of the fact that the school is to be opened in an Agency tract and that the cost involved is not large, it is decided to open the school on the 1st March 1915 as suggested by the Director of Public Instruction, the draft order put up may be accepted in Financial, the necessary sanction number being entered [Sanction registered as No. 6 of 1915-16.] before the case is returned to Educational.

3. As regards *provision of funds* the Accountant-General may, on receipt of the Educational Department proceedings, be requested to work the necessary provision into the budget for 1915-16 by manipulating the figure entered under "Probable savings," if the proposal to open the school with effect from the 1st March 1915 is to be accepted.
