EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 24th October 1914.

No.—Ref. on C. 2543.

The Inspector of Schools, VI Circle, has addressed me on the difficulty of obtaining suitable quarters for him at Tanjore and on the necessity for the construction of a residence by Government. He says that Tanjore being almost entirely a native town, there is a dearth of dwelling houses for Europeans there. On account of this difficulty it would appear that within recent years Government have acquired houses for the District Medical and Sanitary Officer and for one of the Executive Engineers and constructed quarters for the Superintendent of Police. Further Government have taken steps for the acquisition of certain sites on the Vallam road with a view to constructing quarters for European officials. In these circumstances the Inspector proposes that quarters be constructed for him at Government cost. It has been ascertained from the Collector of Tanjore that there will be no difficulty in securing a site on the Vallam road by the side of those already proposed to be acquired. The Executive Engineer, Cauvery Division, has estimated the total cost of the acquisition of a site and the construction of quarters approximately at Rupees 15,000. The Inspector's proposal which has my support is submitted for the orders of Government and if they view it favourably I shall obtain and submit preliminary plans and estimates for administrative approval. I may add that the post of Inspector of Schools at Tanjore will in all probability always be held, if not by a European, at least by a gentleman of European mode of life since Government has accepted the policy of recruiting inspectors of schools from persons who have had a European training.

Order—No. 36, Educational, dated 11th January 1915.

The Government approve the proposal of the Director of Public Instruction to construct quarters at Tanjore for the Inspector of Schools, VI Circle. The Director will be requested to obtain and submit, for the administrative approval of the Government, the preliminary report, statement of probable cost and other particulars required by article 648 of the Public Works Department Code.

NOTES CONNECTED WITH G.O. No. 36, EDUCATIONAL,
DATED THE 11TH JANUARY 1915.

[SUBJECT.—Construction of quarters for the Inspector of Schools, VI Circle, at Tanjore.]

From the Director of Public Instruction, dated 24th October 1914, No. 2543.

The Director of Public Instruction's proposal appears reasonable. For orders whether it may be approved with the concurrence of Financial. It may be noted that G.O. No. 1955 W., dated 15th October 1914. the Government have recently sanctioned the construction of quarters for the Inspector of Schools, VII Circle, at Madura.

C. RAMANUJACHARI—5-11-14.

How many Inspectors are there in all? and what are their stations? and which of them have Government bungalows?

P. RAJAGOPALA ACHARIYAR—6-11-14.

Besides the Inspector of European and Training Schools, there are nine Inspectors of Schools in this Presidency and their stations are noted below :—

No. of Circle.	Station.
I	Waltair.
II	Guntur.
III	Bellary.
IV	Madras.
V	Vellore.
VI	Tanjore.
VII	Madura.
VIII	Palghat.
IX	Bangalore.

G.O. No. 14, Educational, dated 9th January 1911.

The Inspector of Schools, VII Circle, appears to be the only officer for whom the Government have sanctioned the construction of quarters till now.

S. ANANTANARAYANAN—7-11-14.

C. RAMANUJACHARI—7-11-14.

This is the thin end of the wedge, or rather the second instalment of it. We have given quarters * to an Inspector already, and a second Inspector has now come up: and if we agree to this, it is pretty certain that the remaining seven Inspectors will also, one by one, ask for Government quarters. The reasons pleaded in the case of Tanjore and Madura may be pleaded in the case of several of the other stations, for example, Palghat and Guntur.

P. RAJAGOPALA ACHARIYAR—9-11-14.

To the Financial Department.

FINANCIAL DEPARTMENT.

The circumstances under which houses may be built or purchased as residences for public servants are mentioned in paragraph 914 of the Public Works Department Code, Volume I. The Educational Department do not press the proposal to construct quarters at Tanjore for the Inspector of Schools, VI Circle. In this view of the case, no remarks are called for in this department and the file may be returned to Educational in view of the recent orders of the Government of India anent "economies" in view of the great war.

T.R.N.N.—13-11-14.

T. HARI RAO—16-11-14.

Financial may, I submit, support Educational in negating this proposal. It is clearly an attempt to drive in the wedge further, and in any case the financing of new non-urgent building proposals at the present time is out of the question.

B. LAVILLE—18-11-14.

If Educational does not press the matter, Financial has nothing to say.

*His Excellency—**Honourable Member (Financial and Public Works),—*

The difficulty is that there are no European houses to be had in Tanjore. There always will be an Inspector of Schools there: and exactly the same reasons hold good for housing him as for housing other officials.

P[ENTLAND]—12-12-14.

I agree with His Excellency but we can't find the money next year. Plans and estimates may be prepared and sanctioned so that they will be ready when we can find money.

Let me have draft Government Order as above.

P. RAJAGOPALA ACHARIYAR—15-12-14.
