EDUCATIONAL DEPARTMENT.

Sir,

(W)

Adverting to G. O. No. 1191 Edl., dated 22-10-1914,  
I have the honour to state that the question of pay with re-  
gard to the various establishments under my control has been  
finally settled with the exception of the mechanics in the  
Pumping and Boring Branch. The general scales have been  
settled, but regarding the actual amount each of the present  
men is to draw (as set forth in the personal statement appende  
to my letter No. 117 G (3) dated 4th June 1914 and printed  
on pages 26 and 27 of G. O. No. 1191 Edl., dated 22-10-1914)  
no definite orders have issued.

The Accountant General objects to pass pay at the rate  
indicated in the personal statement referred to above, in the  
absence of such specific sanction and I therefore request
