From (Name) The Hon'ble Mr. J. H. Stone M.A. F.R.S.,
(Designation) Director of Public Instruction, C.I.E.

To the Secretary to the Government of Madras,
Educational Department.
Sir,

M.R.Ry. M. A. Kandeth Avargal who has in G.O. No. 490 Educational, dated 30th April '14, been appointed temporarily in the Indian Educational Service as additional Professor of History in the Presidency College, Madras, in the acting arrangements consequent on the absence of Mr. Yates on leave, joined his acting appointment on the afternoon of the 27th June last. Under the terms of his agreement Communicated with G.O. No. 126

Educational, dated 16th November 14, he has had to serve
for a period of six months only from the 28th June 14,

⑦ but the three months extension of leave applied for
by Mr. Allen will necessitate his retention in
his present post until the 22nd March next.

I regret I see no possibility of providing him
with an appointment in the Indian Educational
Service after that date owing to the return from
leave of Messrs. Ransford and Grieve in January
15 and of Mr. Yates at the beginning of April.

Mr. Yates will in the ordinary course of things
have to displace Mr. Statham now acting Principal,
Kumbakonam College, for whom some other appointment
will have to be found, but as the former prefers
inspecting work and a change in the Principalship
of the above institution is undesirable, I intend
proposing Mr. Yates for a circle charge in the
Inspectorate.

I understand that Mr. Kandeth has been doing
his work satisfactorily and it would be a pity
for him to have to drop out of the Indian Educational
Service three months hence. I have therefore the

3
I have the honour to suggest that in view of G.O. No. 513 Education
dated 7th September '29, the Government of India be
requested to arrange for utilizing his services
in any other province either permanently or
temporarily.

I have the honour to be

Sir

Your most obedient servant

Note

0 The foot. of India's letter
in fo. no 513-27.87.9.09, though
it refers to officers recruited
in England, seems also applicable
to the members of the I.E.S.
recruited locally also, as
reference is made therein
generally to the difficulty
experienced in filling vacancies
in the Service.
