The Cuddapah District Conference.

Resolutions passed at the 3rd Session of the Conference.

Sunday & Monday, 13th & 14th September 1914.

VIII. This conference expresses its opinion

- (a) That elementary schools should be started in every village which has a population of 500 or more.
- (b) That compulsory and free education should be introduced at least in the town of Cuddapah.
- (c) That Board Lower Secondary Schools should be opened at Rayachoty and Pulivendla.
- (d) That to encourage female education, Government girls schools should be opened in Jammalamadugu, Pulivendla, Sidhout and Kamalapuram.
- (e) That a Government Hostel should be opened for the accommodation of the students of the Municipal High School.
- (f) This conference urges upon the public the desirability of establishing free public libraries and free Reading rooms all over the District to further the educational movement.

Proposed by Mr. K. Subba Reddi

Seconded by Mr. A. Satagopacharry

Supported by Mr. P. Muthukrishnan

Speaker Mr. R. Subba Rao.

Brief notes on each of the points dealt with in the resolution of the Cuddapah Dt. Conference are submitted below.

Resolution VIII (a) - Opening of elementary schools -

The conference suggests that elementary schools should be started in every village which has a population of 500 or more. With reference to this, it is submitted that in the Cuddapah Dt., 94 per cent of the villages with a population between 2000 & 1000 & 61 per cent of those with a population between 1000 & 500 are provided with elementary schools against the Presidency average of 79 & 56, respectively, for these two classes of villages.

It is also observed that the District stands first in the Presidency ~~in the list~~ in regard to the former class of villages while in regard to the latter, it ranks tenth. From these, it will appear that the District is much better off ~~than~~ in the matter of elementary education than several other districts in the Presidency. No special action need, therefore, be taken for the opening of

of more elementary schools in it.
 ~~The funds are not available at present.~~
 VIII (b) Free + Compulsory education.

In their educational policy, the Govt of India have stated that the introduction of free + compulsory primary education is not practicable at present. No action need therefore be taken on this resolution.

VIII (d) opening of govt girls' schools at Jam-malamadaya & three other places - The percentage of girls to population of school going age is 6.2 against the general average of 7.9, but the district ranks as the thirteenth 13th in point of female elementary education. The district cannot, it is submitted, be said to be comparatively very backward in this regard. A copy of the resolution may be sent to the D.P.I & he may be left to address Govt, if necessary in regard to the opening of girls' schools at the places mentioned. As regards second.

13th any schools for girls, it may be mentioned 4.1.15 that funds are not available at present.

IV 4.1.15 for opening such schools - vide office note at A on page 4 of notes to Gms 1200 Eds 26-11-14.

As regards elementary schools for the policy of Govt has been to give subsidy to local boards & Municipal Councils ^{to open} to open such schools. - Cf. go no 1113 Eds 26-11-13 and no 942 Eds 11.5 sept 1914. From the Station p 7 of from the former go.

NOTES.

Page 56

it will be seen that the subsidy given was for opening six girls schools in the Cuddapah dt., of which one was to be for Muhammadan at Jamnalamadhy.

VIII (e) - Establishment of a Govt. hostel for the students of the Municipal High School, Cuddapah. - The Conference apparently means that a hostel should be constructed by the Govt. at their own cost. It is for the Municipal Council to move in this matter and the Govt. can then consider how far they can help the Council in the construction of a hostel. No action is at present necessary.

VIII (f) - Establishment of free public libraries and free reading rooms. This resolution is addressed to the public and need not be considered by the Govt. The papers may be reviewed. A draft order is placed below.
