Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government to the employment for a period of one year, with effect from the 1st proximo, of an additional assistant on Rs. 50/- per mensem, in the Madrasa-i-Azam, Madras.

2. The Headmaster reports that the strength of the 11 form viz., 43 has exceeded the limit prescribed in rule 29 of the Madras Educational Rules, but that an additional section could not be opened since the existing staff which as will be

headmaster and nine assistants including the temporary assistant on Rs. 30/-per mensem, but excluding the Persian, Arabic, Hindustani and Tamil Munshis is barely sufficient for the present requirements of the school. He also observes that it

is not expedient to limit the number on the rolls of each class to 40, seeing that the Madrassa-i-azam is the only Muhammadan High School in the Presidency Town. Moreover the headmaster anticipates a further accession to the strength of the 11 form next year, as the 1st form which is its feeder has always been the strongest in the school and urges in these circumstances the need for the strengthening of the staff by the appointment of an additional teacher to enable him to divide the 11 form into two sections.

It is most desirable that the school should be staffed proportionately to the class strength, and I am strongly of opinion that in institutions maintained by Government it should be the aim to have in each class even a lower number than 40. I consider that the new appointment may be sanctioned temporarily for a year.

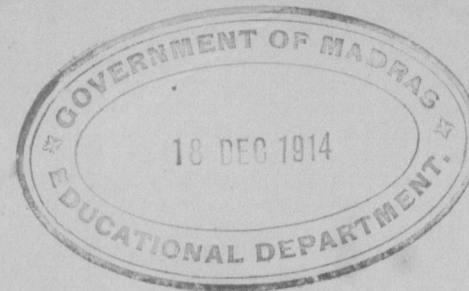

3. The extra expenditure involved by the above proposal will amount to Rs. 600 per annum or Rs. 100 for the two months of the current official year, viz., January and February next, and I request that this may be met from the recurring grant of Rs. 30,000/- made by the Government of India for the improvement of Muhammadan education in this Presidency-Vide G.O.No.

It is proposed to sanction the employment for a period of one year from 1-1-15 of a temporary teacher on Rs. 50 per mensem in the Madras-i-Azam. Under Rule 29 of the Madras Educational rules, the additional teacher proposed is admissible.

2. With effect from the 1st April 1914, the Govt. of India have sanctioned a recurring assignment from Imperial to Provincial of Rs 30,000 per annum for expenditure on improvement of Muhammadan education. It is understood that proposals for the utilisation of this amount have not been received from the Director of Public Instruction as yet, but the D. P. I. states that the charges on account of the temporary teacher now proposed may be taken against this grant. This may, it is submitted, be agreed to.

Yes. I am rather doubtful about the rate of pay for a teacher which for a II form teacher seems rather liberal but we need not perhaps insist.

As regards 1915-16, a lump provision of Rs 30,000 has been included in the next year's budget on account of Muhammadan education, from which the charges during 1915-16 on account of the temporary teacher can be met. The Educational dept. may, it is submitted, be requested to modify slightly para: 2 of the draft ^{So as to bring} out these points. Yrs. There is no reason why the source from which the C.B.E. is to be met should not be the same in both years & the C.B.E. apparently continues no change.

As suggested by Financial the words "from the 1st January 1915" in para. 1 and "of Rs 100" in para. 2 of the draft order may be omitted. The omission of the words "in the current year" in para. 2 will make it clear that the charges both in 1914-15 and 1915-16 are to be met from the Imperial grant of Rs 30,000; they may also be omitted.

2. Orders are solicited as to whether the draft order modified as above may issue.
