Sir,

I have the honour to submit the following application
for the consideration and orders of Government:-

2. In their order No.1129 Edl. Mis. dated 28.11.1913
the Government were pleased to sanction to the Madanapalle
Taluk Board a grant of Rs.3,000 for 1913-14 for carrying out
repairs and improvements to the ten Board Elementary school
buildings specified in the list submitted with this Office

report R.O.C.No.368/S.O. of 1913, dated 2.10.1913.

3. When estimates were obtained for the utilisation of the grant, the cost of

			=====	to Rs.2,815.
				The works in
				these four

urgent cases were sanctioned, however, by the Board according to the details in the margin. Out of this grant, an estimate for Rs. 122 was also sanctioned by the Board in its resolution ---- No.2, dated 30.10.13 for repairing the building of the Board Elementary Muhammadan School, Gurramkonda, though it did not find place in the list referred to in para 1 supra. This --- building needed repairs very badly and the Taluk Board could not find money for it from its funds. These five works are now in full swing and will be completed and paid for in a few months. The balance of grant available for allotment on other works is thus Rs.63 which is quite inadequate for any other work.

4. Of the ten buildings specified in the list referred to above, six are thus left without an allotment. The District Board Engineer, Chittoor, has since furnished a list of buildings with his letter Dis.No.1100/D.B.E. of 1914, dated the 21st instant with their condition in each case. A perusal thereof will show that buildings of fourteen other schools also are in urgent need of repairs. The total number of school buildings which are required to be repaired is, therefore, twenty.

A statement showing the particulars of the buildings to be repaired, the details of repairs to be executed and the approximate cost of each proposal is appended hereunto.

3rd Page.

5. The total cost involved in the proposal is Rs.8563/- of which a sum of Rs.63/- shown in para 3 is already available. The balance required is, therefore, Rs.8,500/- which this poor Board can ill afford to pay from its funds. The condition of the buildings under reference is such that they must deteriorate greatly, if their repairs are now neglected.

6. In the circumstances reported above, I have the honour to request that you will be so good as to obtain from Government a grant of Rs.8,500/- for this Board for the purpose in view.

I have the honour to be

S i r,

Your most obedient servant,

B. Rottschiff

DEPARTMENT.

C. No. 4194 From the P.T.B. Madanapalle No. 1289, dated 29.7.1914

SUBJECT.

Application for a grant of Rs 5,500 for repairing certain school-buildings.

In fo no 1129 EdB, dated 28.11.

1913, a grant of Rs 3,000 was sanctioned to the District Board of Chittoor for repairing ~~the~~ ^{ten} elementary school buildings under the Madanapalle Taluk Board. The P.T.B. now reports that four of them alone require a sum of Rs 2,515 for repairs and that a sum of Rs 122 was sanctioned by the Taluk Board for repairing ~~another~~ ^a school building other than the ten building referred to above. Thus only Rs 63 remain out of the grant of Rs 3,000 sanctioned in the fo. quoted above and six of the buildings require fresh allotments. The D.D. Engr., it seems, has reported that the buildings of 14 more schools require urgent repairs.

In these circumstances, the P.T.B. applies for a grant of Rs 5,500 for repairing the twenty school buildings and the D.D. Chittoor (Mr Broadwood) has recommended the application. Submitted that the application for a grant may be forwarded to the Educational Department for consideration. Attention is solicited in this connection to
