Station Madras, Dated the 8th December 1914

From (Name) The Hon. Mr. J.H. Stone, M.A., F.R.H.S., C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
E d u c a t i o n a l Department.
/Through the Accountant-General/
Sir,

I have the honour to address Government regarding the payment of halting and travelling allowances to M.R.Ry. M.D. Gopala Acharlu, Sub-Assistant Inspector of Schools, Narasaraopet Range, under the following circumstances.

2. In connection with the introduction of the scheme for the reorganization of training schools, M.R.Ry. M.D. Gopala Acharlu, 3rd Assistant, Government Madrasa-i-azam and Sub pro tem Assistant, Rajahmundry Training school doing duty as an Assistant in the Teachers' College, Saidapet, was appointed by me in January last Sub-Assistant Inspector of

Schools, Jammalamadugu Range, but to do duty as Sub-Assistant Inspector, Narasaraopet Range. He was relieved in the Teachers' College, Saidapet, on the afternoon of 6th January 1914 and reached Narasaraopet on 12th January 1914. As it was then the time for the holding of the Conference of Inspecting officers under Rules 16 and 18 of the Grant-in-aid Code for the purpose of scrutinizing applications for aid and fixing the amount of aid to be awarded to the various elementary schools in the district, and as it was subsequently represented to me that the presence at the Conference of M.R.Ry. Taraka Brahman, the acting Sub-Assistant Inspector, Narasaraopet Range, was necessary since he had an ^{intimate} ~~ultimate~~ knowledge of the conditions of the individual schools in the range, M.R.Ry. M.D. Gopala Acharlu was instructed by me not to take charge of the post of Sub-Assistant Inspector, Narasaraopet Range, until the conference was concluded. He was at the same time directed to attend the Conference which was being held at Guntur so that he might be in a position to deal subsequently with any matter bearing on its resolutions, and his joining time was considered to have been extended up to the date of his assuming charge of his new appointment under article 180 (b) (ii). The Conference was concluded on the evening of the 26th January 1914 and M.R.Ry Gopala Acharlu assumed charge on the afternoon of 27th January 1914. Since he was on public duty during the period from 12th to 27th January 1914, he was permitted to draw the travelling and halting allowances occasioned by his journeys and halts. The Accountant-General now objects to entertain the claim amounting to Rs.21 and requests a refund of this amount, which has already been drawn, on the ground that the officer was in transit and therefore an absentee under article 6 of the Civil Service Regulations and he states that the provisions of article 58 would hardly seem applicable to his case. I am of opinion that M.R.Ry. M.D. Gopala Acharlu is entitled on grounds of equity

to the allowances already drawn by him and I beg accordingly to recommend that Government will be pleased to consider him as having been on special duty at the ~~conference~~ conference during the period viz., 12th to 27th January 1914, a procedure which will permit these allowances to be drawn.

I have the honour to be,

S i r,

Your most obedient servant,

ENCLOSURES :

1. Forwarded to the Secretary to Government, Educational Department.

In the circumstances explained by the Director of Public Instruction, there is no audit objection to M.Ry., M.D. Gopalacharlu being considered to have been on special duty from 12th to 27th January 1914 in connection with the conference held at Guntur in January 1914. The officer halted at Guntur from 16th to 25th January 1914 and drew daily allowance for halt made at that station. It is for Government to decide whether Guntur should be regarded as the Head Quarters of the officer while on special duty and daily allowance drawn should be recovered.

5 OFFICE NOTE. 6

SUBJECT. Proposal to consider Mr. R. M. D. Gopala Acharlu Sub-assistant inspector of schools as having been on special duty from the 12th to the 27th January 1914 in connection with the conference at Gunher.
From The D.P.I. no 9443 of 8.12.14

Register No. 3941 Ed.

Submitted that in the circumstances explained by the D.P.I., Mr. R. M. D. Gopala Acharlu may be considered to have been on special duty from the 12th to the 27th January 1914 in connection with the conference held at Gunher.

2. The Accountant General observes that it is for the Govt. to decide whether Gunher should be regarded as the headquarters of the office while on special duty and daily allowance drawn for the stay at Gunher should be recovered. As the conference was held at Gunher and as the special duty was in connection with it, the headquarters ~~will~~ should naturally be fixed at Gunher. If so, ^{having} no allowance could ~~not~~ be claimed for the halt at Gunher under art. 1052 (a) of the C.S.R. It would however, be a hardship to not to grant allowance for this period, as the sub-assistant inspector's

headquarters is Narasaraopet. Under art. 1059(a)
the local Govt. may, by general or special order, permit
any officer or class of officers to draw, during a halt at
headquarters, the actual expense (not exceeding the daily
allowance) of keeping up camp equipment (when it is
necessary to do so) during a halt. It is for consideration
whether the Sub-assistant inspectors may be allowed to
draw the halting allowance as an actual expense under
this article as a special case. The Financial Department
may perhaps be consulted.

He will not in that case be required to refund the whole or any part of the daily allowance already drawn.
