To The Secretary to the Government of Madras,

Sir,

(T)

With reference to para 2 of G.O. No. 1205 Edl., dated 28th October last, I have the honour to state that the Inspector of European and Training Schools as well as the Circle Inspector consider it desirable to continue the stipends to the students undergoing training in the Government Training School for Masters, Bellary, during the period it was closed owing to the prevalence of plague and cholera in the locality, since they have satisfied themselves by due enquiries that none of the students in question had returned to their schools and drawn any pay. I agree with them. It would be an undoubted hardship to depriving these men of maintenance
