To the Director of Public Instruction
through the Director

Sir,

The third annual meeting of the Indian Science Congress is to be held at Allahabad on the 13th, 14th & 15th January (Pongal Holidays). I intend contributing an original paper and perhaps two.

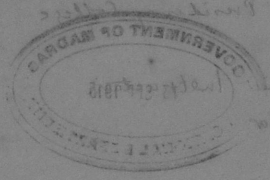

In view of the support accorded to meetings of the Congress in the past by the Imperial Government, and of the unique opportunities offered at it, of coming into touch with teachers of Botany at other educational centres of India, of comparing their courses of study and methods of work with those in force here; and also of learning something first hand of the Botany of Central India and the plain of the Ganges, I have the honour to ask permission to proceed to Allahabad and attend the Congress as on duty.

I have the honour to be

Sir

Your most obedient Servant
