TO,

The Secretary to Government
Educational Department
M A D R A S.

The humble petition of P.Sundaresha Aiyer, late student of the Civil Engineering College, Madras, acting - Draftsman and Assistant Draftsman in the District Board Engineers Office, South Arcot, and an acting Sub-Overseer in the same division most respectfully sheweth.

2. That your petitioner underwent the full training in the Draftsman class, of the Engineering College Madras in the years 1902--1903, but unfortunately failed to secure a pass in the final examination.

3. Since the class having been abolished from the year 1909 that your petitioner and others who shared his fate in the final examination Memorialised to Government to allow them to prosecute their study in the College for another year, appear for the examination, and make them fully qualified for the post of Draftsman, or to grant them a third class certificate declaring them passed students of the Draftsman class and eligible for permanent appointments.

4. The Benign Government after a mature consideration ordered the grant of a proficiency certificate to those memorialists, copy of certificate granted to your petitioner enclosed (Enclosure No. I) for favour of kind perusal.

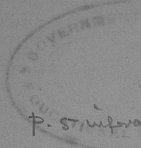

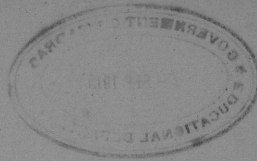

5. That your petitioner since 1905 put in a service of 10 years $6\frac{1}{2}$ years in the Public Works Department and $3\frac{1}{2}$ years in the Local Fund Engineering Department and his claims for permanent vacancies were overlooked on the ground that the certificate alluded to in para 4 Supra is not a sufficient qualification for conferring permanent posts on him.

6. That your petitioner then addressed the

the Director of Public Instruction, Madras and requested his instructions as to whether the holders of such proficiency certificates are in any way disqualified for permanent posts (either of Draftsman or Sub-Overseer) and a copy of his reply directing your petitioner to address the Head of the Department in which he is employed on the subject is also enclosed (enclosure No.2) for favour of kind perusal.

7. Though the Head of the Department (President District Board, South Arcot) first refused to consider him a fully qualified man yet on the strength of the recommendations of the forwarding endorsements (enclosure No.3 & 4). by his immediate superiors the District Board Engineer and his Assistants and the note printed at the top of the proficiency certificate alluded to in para 4 Supra strongly recommended to Government to grant him exemption from the operation of the examination rules and a copy of the order of Government (Enclosure No.5) on the above is herewith enclosed for favour of kind perusal.

8. That your petitioner was ousted from the acting appointment he was holding and referred to in the-- Government Order quoted in the previous para as soon as the Department was able to procure the services of a duly qualified hand.

9. That your petitioner most respectfully begs to solicit your instruction whether the holders of the proficiency certificate are taken for mere possessing with Superior or Inferior qualification to those who come out - successful from the Edwards Technical Institute, Theppakolam Trichinopoly and Chengalvaraya Naicker's Technical Institution, Madras, as the latter class of men are employed as Sub-Overseers.

10. In conclusion your petitioner most respectfully begs to request if your honour is of opinion that the holders of proficiency certificates are not qualified for - permanent posts of Sub-Overseers (the distinction between

between sub overseer and Draftsman having been abolished in the Government Order No. 1150 L dated 23-6-14) he may be favoured one or the other of his prayers hereunder mentioned

(a) Your petitioner may either be exempted from the operation of the examination rules taking into consideration the proficiency certificate granted by the Board of examiners and that such a certificate is superior to the one issued by the joint Technical Examination Board, Bengal Behar, and Orisa and referred to in G.O. No. 1919 L, dated 27-10-14 in as much as he, (your petitioner) has undergone the full training under an abler staff than those who possess the certificates of the Joint Technical examination Board, Bengal, Behar and Orisa and on the strength of the strong recommendations of the professional Officers under whom he served (ENCLOSURES 344)

(b) or that your petitioner will be declared duly qualified for permanent posts of Sub:Overseer if he after passing the Technical examination in the subject he was found deficient in the proficiency certificate to secure a full pass and -- produces certificates on these subjects.
