EDUCATIONAL Department.

Sir,

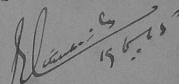

The Government of India sanctioned the grant to Mr. A. Fernandez of a scholarship of Rs. 480/- or £32 per annum tenable in England for one year only, vide G.O.No. 1226 Mis. Edl., dated 20th December 1913. The student made no request for payment of the scholarship, nor did he intimate to this office his departure to England. The Secretary, Students' Advisory Committee, Madras, who was addressed on the matter at the instance of the Accountant-General, Madras, informs me that Mr. Fernandez has been a student at University College, London, since 1913 (it is presumed from about Michaelmas) and that the Secretary for Indian students in

England has at the instance of the student written to him regarding the scholarship. The Accountant-General, Madras, who was requested to arrange for the payment of the scholarship states that the Comptroller General has intimated that as required by art. 1275 of the Civil Account Code, Volume II, the Local Government should be moved with a view to address the Secretary of State regarding the payment of the scholarship to Mr. Fernandez through the India Office, London. I have the honour accordingly to request that Government will be pleased to address the Secretary of State on the matter. I submit herewith a copy of letter dated 18th May 1915 on the same subject since received from Mr. Mallet, Secretary for Indian students in England.

I have the honour to be,

Sir,

Your most obedient servant,

My dear sir,

May I ask you for some information in regard to a scholarship of £32 per year, which I am told by Mr. Aloysius Fernandez was awarded to him in Madras in the year 1913? Mr Fernandez is now studying for the Bar in England and is a student at University college, London. He has heard nothing more about his scholarship and has received no payment. The Secretary to our Advisory Committee in Madras, Mr. A. Davies, of whom I have enquired writes to me confirming the statement that the scholarship was granted as Mr. Fernandez says. I cannot find that any Department of the India Office has received information on the subject or that any payment has been made to us on Mr. Fernandez's account. As time is going on and the student is naturally rather anxious I should be obliged if you would kindly let me hear from you on the subject.

I am, dear sir, .:

Yours faithfully,

(Sd) C.G. Mallet,

Secretary for Indian students.

Requesting that the Government of India may
be addressed regarding the payment of
a scholarship of Rs.480 to Mr.A.Fernandez.

In applying for sanction for the grant of a
scholarship to Mr. Fernandez it was stated by the
Director of Public Instruction that the student
intended to proceed ^{to England} to study for the B.A. degree
(Honours) at the University College, London. The
same information was furnished to the Government
of India ~~in~~ in letter No.1010-A, Educational,

(M) dated the 7th November 1913. It appears from the ~~communication~~
communication from the Secretary for Indian
students, London, that Mr.Fernandez is now
studying for the Bar in England and is a student
of the University College, London. The course
which he originally intended to take in England
was reported to be a three years' course. It

is not therefore now clear whether Mr. Fernandez has given up his intention for studying for the Honours course and has changed to the course for the Bar. If the latter, it is not proper that he should have entered upon the altered course without the approval of the Government. The scholarship was specifically intended for the Honours course, and being only a continuation of the scholarship which he had been drawing here under the regulations for European schools, the scholarship is itself an arts course scholarship. Before applying for the disbursement of the scholarship, it seems necessary to consult the Director of Public Instruction as to whether Mr. Fernandez has completed or is still undergoing the Honours course for which the scholarship was sanctioned, and if not, why it should be necessary to sanction the scholarship for his training for the Bar.

2. The conduct of Mr. Fernandez in not having intimated to the Government the date of his departure to England and in applying for

I have no more information regarding M. Fernandez's course of study than that contained in the current file. I can, however, enter into correspondence with M. Mallet as to the course followed by M. Fernandez from the date of his arrival in England. He may have taken an Arts Course during the academic year 1913-14, in which case it would appear to be incumbent on Government to pay him the amount of the scholarship for the year. It is submitted, therefore, that further information be first obtained from M. Mallet.

from the letter of Mr. Fernandez on page 607 of C.F. it will be seen that he is reading for the B.A. (honours) degree at University College, London, as ^(account for the B.A.) originally intended. As pointed out by Mr. Dimes in his note on the previous page, it would appear therefore to be incumbent on Govt to pay him the amount of the scholarship as promised.
