To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

I have the honour to enclose herewith a letter received from the Perambur Works which is self explanatory.

2. Government will remember that I was instructed to despatch the tractor to Coimbatore for use by the Forest Department in August. Owing to the delay in the supply of wheels the tractor has not yet left, but is now ready to go. The question to be decided is whether the Forest Department or the Munitions Work should have first preference. On this point I request the views of Government. So far as I personally am concerned I should

much prefer to have the tractor in Madras a little longer on regular work so as to train my crew and find out any defects which are likely to develop during running. In Coimbatore the tractor will be rather remote from repair shops and if anything unforeseen does happen it will mean a great deal of trouble and delay.

Very early orders are requested as I wish to get the tractor to work on the one job or the other.

I have the honour to be,

Sir,

Your most obedient servant,

Dear Sir,

Subject.

With reference to conversation at our meeting yesterday, I shall be glad if you will arrange for the machines referred to to be sent to the Works Manager, Perambur Works, as soon as possible.

2. I understand you have a tractor working in Madras and shall be much obliged if you will approach the Government with a view to it being used for the conveyance of steel bars and shells from the local manufacturers to Perambur Works. I anticipate we shall have a large amount of carting to and from Perambur Works and an expeditious conveyance such as a tractor will be most useful.

I have the honour to be,

Sir,

Your most obedient servant,

M. R. S.
