No. B 3

Station Madras, Dated the 10th. September 1915

From (Name) K.T.B. Tressler.Esq.,
(Designation) Director of Industries,

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to bring to your notice that K.Thiruvengadam was entertained as a subordinate clerk in my office at the end of 1913. He proved so useful that Mr.Guthrie specially applied for his services in the Leather Trades School. There he has given complete satisfaction and made himself useful in a variety of ways. In his spare time he assists in Laboratory work. The clerk has passed the Government Technical Examination in Typewriting Elementary. He does typing work (a Typewriter but does not hold a Secondary School leaving Certificate) has been supplied to the Leather Expert. A Copy of Dr.Marsden's letter on the subject is enclosed.

2. As the staff in the Leather Trades School is small, each man is expected to be useful in as many ways

as possible and a ^{higher} academic qualification would certainly not ~~give us a man~~ ^{assure our getting a man}, suitable man - indeed the ^{chances} ~~claims~~ are rather the other way.

3. I accordingly beg to recommend that K.Thiruvengadam may be exempted from Article.I of the P.S. Notification, so as to enable me to confirm him in his appointment.

I have the honour to be,

Sir,

Your most obedient servant,

Copy of letter NO.322/15, dated 1-9-15 from Dr.F.Marsden, Acting for Leather Expert to the Government of Madras, to the Director of Industries, Madras.

In forwarding this application I may remark that the clerk has passed the Typewriting Examination and besides doing the Typing and General Clerk's work of the office has made himself useful in many ways in the Laboratory and has shown himself to be distinctly adaptable. His work appears to me to be in every way satisfactory (while Mr.Guthrie was on Privilege Leave in the month of May the routine work of the office seems to have been conscientiously carried out) and I think the Leather Expert would have difficulty in finding even a passed candidate who would suit him so well.

I would therefore recommend that the fact that the clerk has not taken the School Final Examination should not stand in the way of his confirmation in the grade.

OFFICE NOTE.

SUBJECT. *Exemption from the provisions of art 1 of the Public Service Notifications*

From the D-I no. B-3. 27 to 9. 15

Register No. 3163 EOL

The Director of Industries recommends that ^{in the establishment} K. Thiruvengadam an acting Clerk under the Kester Expert, may be exempted from article 1 of the Public Service Notification so as to enable him to confirm him in his appointment which ~~apparently~~ carries a salary of Rs 25-1-35. The recommendation appears to be based on public ground as the Dr Marsden considers that the Director thinks that the Kester Expert would have difficulty in finding even a passed candidate who would suit him so well. It is therefore for consideration whether in the circumstances stated in para. 2 ^{of the Director's current letter,} ~~in para. 2 of page 2 and para 10 of page 3. C.F.,~~ the exemption applied for may be granted. If so, the draft order below is for approval.
