READ—the following papers :—

I

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 31st August 1915.

No.—Ref. on Cur. 5373.

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment from year to year from 1st July 1916 of a temporary demonstrator on Rs. 50 per mensem for the Zoology section in the Presidency College.

2. There is at present a demonstrator on Rs. 25 per mensem employed in this section for a period of ten months under G.O. No. 811, Educational, dated 19th November 1892. The Professor of Zoology, M.R.Ry. K. Ramunni Menon Avargal, states that the existing arrangement can hardly be considered satisfactory as the work of the demonstrator has very much increased of late, that it is highly desirable that it should be entrusted to a man who is willing to devote himself to Zoological work, and that the present remuneration is obviously insufficient for such a person. He therefore urges the abolition of the post of part-time demonstrator and the creation of a permanent post on a suitable salary. As regards the work to be done by the demonstrator the Professor writes as follows :—

“An important part of the work of the man holding this appointment will continue to be demonstration at practical classes. But he will also be doing other important work such as, to mention a few definite items, the preparation of a permanent series of dissections and microscopic slides for demonstration purposes, the revision of the old schedules for practical work and the drawing up of additional ones, the taking up occasional tutorial classes, etc. Further he will be expected to give very material assistance to the Professor in manipulation and technique and in working out the valuable marine Zoological material which generally comes to hand and which has at present to remain unexamined and unutilized for want of adequate assistance.”

The acting Principal recommends the proposal and states that the appointment of a full-time demonstrator on Rs. 50 as in the case of the Physics, Chemistry and Geology departments will meet the requirements of the Zoology section.

In the circumstances explained by the Professor, I consider the proposal to be reasonable and beg accordingly to recommend that a demonstrator on Rs. 50 per mensem be sanctioned from year to year as in the case of the Chemistry and other Scientific department in the College, for the Zoology section. The extra charge involved by the proposal will be Rs. 350 a year (12 × Rs. 50 or Rs. 600 — Rs. 250).

3. If the proposal meets with the approval of Government, I further request permission to make the necessary provision for the charge in the budget estimates for 1916-17.
