We need not offic. to the letter but I am afraid the S. of. I will reply saying that the question of the grant of an honorarium & the amount to be

paid should be decided when
the ~~has~~ article has been written
Imperial will pay & it is for
the S. of. I to decide whether an
honourarium should be given.
We are really only concerned with
the question of permitting him
to write the article and receive
any honourarium that the S. of. I
might think suitable. I think
the Director General of Archaeology
has rather reversed the order of
things. He should have ad-
dressed the S. of. I on the subject
and they in turn would have
addressed us.
